

**Academic Program Review Council
Academic Senate
2007-2008**

1. The Academic Program Review Council met twice weekly during Fall Semester from September to November.
2. During the fall, APRC reviewed and made recommendations regarding sixteen program panels. These recommendations were made to and passed by the Academic Senate at a meeting on November 13, 2007.
3. During the spring, the APRC Chair has worked with individual Program Review Panels who are in the process of preparing reports for the fall of 2008. In addition, the Chair has worked with Assessment Coordinator Robert von der Osten on issues where academic program review and assessment overlap. The Chair has also been active in working with the committee that selected TracDat, the University's new assessment software, and with the Steering Committee for Ferris' HLC Reaccreditation.
4. In 2007-2008, for the first time, minors and non-degree entities underwent program review.
5. The fourteen panels for the programs under review in the 2008-2009 cycle began their work in August 2007. The rough drafts of their reports are due June 16, 2008. The final reports are due on August 15, 2008.
