### IV. New Business – Proposals

Type	Title	Action	Concerns/Reasons/Updates
M.C.C.	Reinstate Social Studies Education Major	Approved, 7-0, pending the sending of a Form B to all affected departments, and submitting a Form D.	
New Course	CJ Data Collection and Analysis	Approved, 7-0.	
New Course	COAS 491 Integrative Studies Internship	Sent back.	The relationship between hours and credits awarded was discussed. It was noted that this varies by college and program.  Request submission of a Form D and a Form E (recognizing the highly individualized nature of the BIS degree), being sure to clearly identify hours-to-credit awarded equation.
New Minor	Medical Informatics Minor	(for discussion only)	The anticipated proposal was discussed. Steve Karnes will relate questions and concerns to be addressed with the proposers. Recommended that all departments and programs involved in the minor have representing faculty sign-off on the proposal.

- V. Leonard announced to the group that his term as UCC Chair will conclude at the end of this academic year. He advised all who may be interested in being considered for appointment to the position to begin fall 2011, send a letter of interest to Michael Berghoef, Senate Vice-President.
- VI. Doctoral Level Curriculum Proposals. Anita Fagerman pointed out that the DCCL proposal submitted last year included course numbers (800-level) not currently addressed in the Curriculum. The need to make other revisions to the manual was also discussed.
- VII. No meeting next week. Next meeting: Monday, Oct. 11 2010, 12:15 PM – 1:15 PM, CSS 302.
