**Proposal Review:**

A copy of the FSU LGBTQ+ Resource Center proposal was sent via email to the committee prior to the meeting. The committee members were asked to read the proposal prior to the meeting and provide feedback. Suggestions for revisions that were shared prior to the meeting were implemented into the proposal draft. During the meeting, a lot of great feedback was provided. Angie Palmer will implement all the feedback given and provide a new draft to Joy as soon as possible. Joy will provide a revised proposal document to Jeanine so that she can share it with the President's Council during their next meeting.

**Moving Forward: LGBT Resource Center- Next Steps:**

The most recent revised proposal will be shared with the President's Council for review and approval. Once approved by the PC, we will take the necessary steps to open the LGBTQ+ Center.
