

Student Affairs Diversity Committee
Meeting Minutes
February 22, 2011

Present:

Mike Cairns

Matt Chaney

Kristin Norton

Leroy Wright

The committee reviewed the 2010-2011 Projected Major Diversity Initiatives. The following items will be added to the initiatives:

- Ferris Youth Initiative
- Job Fair
- White Ribbon Campaign
- Sexual and Relationship Violence Awareness Week: Shattering the Silence

Mike will check with Dan Burcham to see if the OMSS Imagine More Bus Tour will be supported for 2011. At the Student Affairs Diversity Report meeting it was suggested that the bus tour be considered a permanent university event and therefore would be financially supported.

Summer Retreat Ideas

- Matt Chaney suggested calling the event(s) inclusion or professional development, instead of diversity.
- Kristin suggested using a speaker that is already speaking on campus to also present at a workshop for the division, which would save money.
- Leroy suggested holding a professional development series, offering an event a couple times a semester. Focusing on items such as:
 - Getting the best use of your budget
 - Diversity
 - Assessment
 - Current trends/issues within Student Affairs

Mike asked that any other ideas for a retreat or workshop be sent to him.

Respectfully submitted by,
