

Celebrate National Public Health Week April 3-9, 2017

The Public Health Faculty of the College of Health Professions invites you to these exciting, educational, and informative events! They are open to the public and would not have been made possible without the support of the Faculty Center for Teaching and Learning.

Date	Time	Event	Location
Mon April 3	11:30 AM – 1:00 PM  (Photo credit: CDC)	<i>The Dangers of Distracted Driving and The Dangers of Social Media</i> Lunch and Learn (Lunch will be provided. RSVP by March 30 to MargaretWan@ferris.edu) The National Safety Council estimates that 40,000 people died in motor vehicle crashes in 2016. The number of drivers that engage in risky behaviors is alarming. For example, 47% of those surveyed say they are comfortable texting while driving. Join us for lunch and learn what everyone should know about the dangers of distracted driving and social media.
