

Dear Doctors,

Please join us at MCO this summer at our first CE and Golf meeting to benefit student scholarships. Many of you have attended our Summer CE event and even more of you found a way to visit the MCO campus, get some CE and play golf. So I figured, why don't we build a program with the best of everything and get golfing optometrists here to get CE and play some golf.

The golf format is simple, you will be placed in a foursome either by your choosing (request what players you want to play with) or be placed on a team. This is NOT a scramble so you will play your own ball. The only competition is for prizes on the course (longest putt, closest to the line, etc.). The teams are NOT in competition with each other so no handicap is needed (what side bets you have with your friends is up to you). In the event of a rainout, you will receive a raincheck from the respective golf course.

Registration is \$295.00 and limited to the first 40 players. Registration will open in a few weeks so please "save the Date". If you have questions, please call Michelle Aldrich at 231-591-3700. The deadline for registration is June 13, 2016. I hope to see you at this year's Golf & CE meeting.

Sincerely,

Philip E. Walling, OD, FAAO

OUTSTANDING GOLF COURSES

Tullymore Golf Club

Shortly after opening in 2002, Tullymore was named the number one new upscale public course in America by Golf Digest. With that kind of rookie year distinction, it's easy to see why golfers keep coming back to this challenging course set amongst the pure, raw landscape of the Michigan wilds.

Designed by the highly acclaimed Jim Engh, this par-72 course has also been ranked amongst the top 15 of the 100 Greatest Public & Resort Courses in America by Golf Digest on more than one occasion.

With subtle undulations, the Tullymore course meanders through over 800 acres of woods, meadows, and wetlands. Greens are uniquely varied in both shape and size, and multiple sets of tees allow you to adapt play to your skill level. The course features five par-3 holes and five par-5 holes.

Pilgrim's Run Golf Club

Opened in the spring of 1999, the Pilgrim's Run clubhouse was built with its setting in mind, featuring cedar shake siding combined with the natural beauty of cut stone, brick paths, and a 150-year-old starters building.

This is a must play for those players who enjoy the combination of tranquility, natural beauty and golf. Rated 4th best new affordable public course in the United States and Canada for 1999 (Golf Digest).

Great Lakes Golf Magazine rated #2 for "Best Course for Lunch at the Turn" in 2001.

go to "Continuing Education"

Dear Colleagues,

This is our first year offering a CE and Golf meeting to benefit student scholarships. Many of you have attended our Summer CE event and even more of you found a way to visit the MCO campus, get some CE and play golf. So I figured, why don't we build a program with the best of everything and get golfing optometrists here to get CE and play some golf.

The golf format is simple, you will be placed in a foursome either by your choosing (request what players you want to play with) or be placed on a team. This is NOT a scramble so you will play your own ball. The only competition is for prizes on the course (longest putt, closest to the line, etc.). The teams are NOT in competition with each other so no handicap is needed (what side bets you have with your friends is up to you). In the event of a rainout, you will receive a raincheck from the respective golf course.

Registration is \$295.00 and limited to the first 40 players so please register early. If you need help with registration or have questions, please call Michelle Aldrich at 231-591-3700. The deadline for registration is June 13, 2016. I hope to see you at this year's Golf & CE meeting.

Sincerely,

Philip E. Walling, OD, FAAO
Director, Continuing Education

All Continuing Education will be held at MCO

Wednesday, June 22, 2016

- 7:30 - 8:00 am Registration
- 8:00 - 9:00 am Breakfast lecture hosted by Alcon
- 9:00 - 11:00 am True Ocular Emergencies - Dr. Kalaczinski
- 11:00 - 1:00 pm Lunch on your own
- 1:00 - 6:00 pm Golf at Tullymore Golf Course (tee times)
- 6:00 - Bedtime Dinner, drinks, fun on your own

Thursday, June 23, 2016

- 7:30 - 8:00 am Registration
- 8:00 - 9:00 am Breakfast lecture hosted by Alcon
- 9:00 - 11:00 am Management of Retinal Disease - Dr. McDowell
- 11:00 - 1:00 pm Lunch on your own
- 1:00 - 6:00 pm Golf at Pilgrim's Run (tee times)
