CHARTER SCHOOLS OFFICE POLICY

Revised: March 2016

EDUCATIONAL SERVICE PROVIDER

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Educational Service Provider Policies ("ESP Policies") have been prepared by the Charter Schools Office (CSO). They now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement with an Educational Service Provider ("ESP") on or after the date set forth above. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

A. Academy Board Due Diligence

1. Prior to executing an agreement with an ESP, the Academy Board shall perform sufficient due diligence to establish that the ESP has the appropriate financial resources, educational services, and managerial experience to provide the contracted services. Prior to contracting with an ESP, the Academy Board shall obtain sufficient information to conclude that the ESP agreement, on the terms to be approved, is in the best financial and educational interest of the Academy. At a minimum, and prior to the execution of an ESP agreement, the Academy Board shall provide the following information to the Charter Schools Office via Epicenter **in addition to the proposed contract:**
 - List of all ESP owner(s), directors and officers.
 - Type or form of entity (for-profit corporation, non-profit corporation, limited-liability company, etc.).
 - Name of the ESP's primary banking institution.
 - Legal counsel for the ESP. Name, address, and telephone number of firm and name of contact person.
 - Accounting firm for the ESP. Name, address, and telephone number of firm and name of contact person.
 - A written statement regarding the ESP's experience in providing educational services and a description of the types of educational service to be provided to the Academy.

2. Academy Board members, Academy Board employees, and their respective spouses and immediate family members may not have any direct or indirect ownership, employment, contractual or management interest in any ESP that contracts with the Academy. The Charter Schools Office may formally waive this condition for persons who have an ownership interest in an ESP that contracts with the Academy if it concludes that the ownership interest is minimal.
3. If an Academy proposes to enter into a new, amended or renewal agreement with an ESP to provide persons to perform work at the Academy, or to extend the term of an existing agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed agreement and a detailed description of the means by which the Educational Service Provider will be held accountable to the Academy Board for the day-to-day performance of the Educational Service Provider's obligations under such agreement for review by the CSO Director as well as a copy of the completed evaluation instrument due by **October 31** of each year. The evaluation instrument shall be devised by the CSO with the completed instrument reviewed with the ESP at a regular meeting of the Academy Board prior to submission of the completed evaluation instrument.
4. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement and detailed description in compliance with this policy and Section 3.8(a) of the Contract, the CSO Director shall notify the Academy if the proposed agreement is disapproved (the CSO Director may disapprove the proposed agreement in his or her sole discretion). If the proposed agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No agreement described in this policy may be entered into that is disapproved by the CSO Director. By not disapproving a proposed agreement, the CSO Director is in no way giving approval of the proposed agreement, or any of the terms or conditions thereof.
5. The Academy Board shall retain independent legal counsel to review and advise it during the negotiation of the ESP agreement. Legal counsel for the Academy shall not also represent the ESP or principals thereof, or have provided recent or significant representation to the ESP or its principals in the past. The ESP agreement shall be an arms-length, negotiated agreement between an informed Academy Board and the ESP. Prior to the Academy Board's approval of the ESP agreement, the Academy Board shall obtain a legal opinion from its legal counsel, which includes the representations that legal counsel has reviewed the Proposed Educational Service Provider Agreement, the Charter Schools Office Educational Service Provider Policies and the Contract to Charter the Public School Academy, and which opines that:
 - A. The Academy Board has the power and authority to enter into the proposed agreement;

B. Execution of the proposed agreement does not violate any term or provision of the Policies, Charter Contract or applicable statute; and

C. Entering into the agreement does not permit or require improper delegation by the Academy Board.

6. The Academy Board shall not approve an ESP agreement until all board members have been given a reasonable opportunity to review the proposed ESP agreement with the Academy's legal counsel.

7. The Academy Board shall only approve an ESP agreement with a formal vote at a public board meeting. Prior to the Academy Board's vote on the ESP agreement, the Academy Board shall provide a reasonable opportunity for public comment on the proposed ESP agreement.

B. Academy Board Administrative and Fiduciary Responsibilities

1. In negotiating the ESP agreement, the Academy Board shall budget adequate resources to fulfill its Contract requirements which may include, but are not limited to: oversight of the Academy's ESP; negotiation of the Contract and any amendments; payment of staff costs, insurance required under the Academy's lease, ESP agreement and the Contract; annual financial audit; the Academy Board's legal counsel, consultants, recording secretary and any other such cost necessary for Academy Board operations.

2. The Academy Board shall be responsible for determining the budget reserve amount included as part of the Academy's annual budget. In addition, the Academy Board is responsible for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount. Any reserve amount less than three percent (3%) of anticipated State School Aid shall be approved by the Charter Schools Office. If the State adopts legislation reducing an Academy's school aid due to reserves greater than fifteen percent (15%), as proposed, or some other amount, anticipated reserves greater than that amount shall also be approved by the Charter Schools Office.

3. The ESP shall present to the Academy Board, on a frequency established by the Academy Board, a detailed reconciliation of budgeted to actual revenues and expenditures, with an explanation of variances. Also, the ESP shall present to the Academy Board, on a frequency determined by the Academy Board, a detailed schedule of expenditures at object level for review and approval by the Academy Board. The foregoing presentations shall be in a form and format acceptable to the Academy Board and are to be provided to all Academy Board members not less than three working days prior to the Board meeting at which the information will be considered.

4. The Academy Board shall be informed of the level of compensation and fringe benefits provided to employees of the ESP assigned to the Academy.

C. ESP Agreement Provisions

1. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy.
2. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract. Except as permitted under the Contract and Applicable Law, no ESP agreement shall restrict the University's or the public's access to the Academy's records.
3. No provision of an ESP agreement shall interfere with the Academy Board's duty to exercise its constitutional, statutory, contractual and fiduciary responsibilities governing the operation of the Academy. No provision of an ESP agreement shall prohibit the Academy Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.
4. An ESP agreement shall not restrict an Academy Board from waiving its governmental immunity or require an Academy Board to assert, waive or not waive its governmental immunity.
5. No provision of an ESP agreement shall alter the Academy Board treasurer's legal obligation to direct that the deposit of all funds received by the Academy be placed in the Academy's depository account as required by law. The signatories on the depository account shall solely be Academy Board members and/or individuals properly designated annually by Board resolution. Interest income earned on Academy depository accounts shall accrue to the Academy.
6. An ESP agreement shall contain a provision that all finance and other records of the ESP related to the Academy will be made available to the Academy's independent auditor.
7. An ESP agreement shall not permit the ESP to select or retain the independent auditor for the Academy.
8. If an ESP purchases equipment, materials and supplies on behalf of or as the agent of the Academy, the ESP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the Academy. The ESP will comply with Section 1274 of the Revised School Code as if the Academy when making these purchases directly from a third party supplier.

9. An ESP agreement shall contain a provision that if the ESP procures equipment, materials and supplies at the request of or on behalf of the Academy, the ESP shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.
10. An ESP agreement shall contain a provision that clearly allocates the respective proprietary rights of the Academy Board and the ESP to curriculum or educational materials. At a minimum, ESP agreements shall provide that the Academy owns all proprietary rights to curriculum or educational materials that (i) are both directly developed and paid for by the Academy; or (ii) were developed by the ESP at the direction of the Academy Board with Academy funds dedicated for the specific purpose of developing such curriculum or materials. ESP agreements may also include a provision that restricts the Academy's proprietary rights over curriculum or educational materials previously developed or copyrighted by the ESP, or curriculum or educational materials that are developed by the ESP using funds from the Academy that are not dedicated for the specific purpose of developing Academy curriculum or educational materials. All ESP agreements shall recognize that the ESP's educational materials and teaching techniques used by the Academy are subject to disclosure under the Code and the Freedom of Information Act.
11. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy shall be clear about which persons or positions are employees of the ESP, and which persons or positions are employees of the Academy. If the ESP leases employees to the Academy, the ESP agreement shall provide that the leasing company accepts full liability for benefits, salaries, worker's compensation, unemployment compensation and liability insurance for its employees leased to the Academy or working on Academy operations. If the Academy is staffed through an employee leasing agreement, legal confirmation shall be provided to the Academy Board that the employment structure qualifies as employee leasing.
12. An ESP agreement shall contain insurance and indemnification provisions outlining the coverages the ESP will obtain. The ESP's insurance is separate from and in addition to the insurance the Academy Board is required to obtain under the Contract.
13. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of the ESP.
14. The maximum term of an ESP agreement shall not extend beyond the term of the Academy's Contract.
15. An ESP agreement shall provide that any action or inaction by the ESP which causes the Contract of the Academy to be revoked, terminated or suspended, or which results in the Academy receiving official notification from the CSO, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or

suspension of the Contract, shall be designated a material breach, which shall be grounds for termination of the ESP agreement by the Academy. The ESP agreement shall also provide for termination if directed by the University Board as part of the process of reconstitution, as provided by the Revised School Code.

D. Lease and Loan Agreement Provisions

1. If the Academy intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the ESP, then such agreements shall be separately documented and not be a part of or incorporated into the ESP agreement. In all cases, the CSO shall be provided copies of all such documents and agreements.

CHARTER SCHOOLS OFFICE POLICY

Revised: May 2016

FACILITY FINANCE & PROPERTY ACQUISITION

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Facility Finance & Property Acquisition Policies ("FF&PA Policies") have been prepared by the Charter Schools Office (CSO). They now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement for Facility Finance & Property Acquisition ("FF&PA") on or after the date set forth above. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

A. University Board Approval of Condemnation

In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act, or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the CSO Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property and a request for a contract amendment. The CSO Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the CSO Director's recommendation will be submitted by the CSO Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

B. CSO Director Review of Certain Financing Transactions

If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion

of its State School Aid Payments be forwarded by the Fiscal Agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request for review to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any) together with a copy of the proposed lease, deed or bill of sale for any facilities or equipment to be acquired in the transaction, and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

C. Other Transactions Requiring CSO Director Review

If the Academy desires to enter into a purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, (ii) Academy facilities that are in addition to or intended to replace the Academy's facilities described in Section 6, or (iii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable), submit a written request for review to the CSO Director describing the proposed transaction and the facilities or capital assets to be purchased, leased or which are otherwise the subject of the transaction, together with a copy of the proposed lease, deed or bill of sale for such facilities or assets. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

D. Disapproval of Certain Transactions

Due to the uncertain status of an Academy's Contract where the Academy has been placed in Intensified Monitoring status by the CSO pursuant to the CSO's Reinvigorating Excellence Initiative, a transaction that is required to be submitted for review by the CSO Director pursuant to these Facility Finance and Property Acquisition Policies by such an Academy will be disapproved by the CSO Director if the transaction would require payments to be made by the Academy after the Academy's existing Contract expiration date, except that the CSO Director may elect not to disapprove such a transaction where the CSO Director determines in his or her sole discretion that all of the following conditions are met:

1. The Academy is not in Intensified Monitoring;
2. The Academy has an unrestricted fund balance that is not less than fifteen percent (15%) of its projected annual expenditures;
3. Entering into the proposed financing transaction will not cause the Academy to expend more than an amount equal to twenty percent (20%) of the funds to be received by the Academy annually from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., on discharging its annual obligations in connection with the lease or purchase of the Academy's land, building and other physical facilities;
4. The facilities or equipment to be acquired with the proceeds of the proposed financing transaction are replacements for existing facilities or equipment and are necessary for continued safe operation of the Academy and the achievement of its educational goals; and
5. Any other conditions deemed relevant by the CSO Director.

CHARTER SCHOOLS OFFICE POLICY

Adopted: March 2009
Revised: January 2019

DISSOLUTION

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy (“Contract”) issued by the Ferris State University Board of Trustees (“University Board”), these Dissolution Policies (“Dissolution Policies”) have been prepared and adopted by the Charter Schools Office (CSO). These Dissolution Policies now become part of the Contract and apply immediately to all Public School Academies now authorized, and prospectively to all Public School Academies hereafter authorized or re-authorized, pursuant to Contracts issued by the University Board.

A. Academy Board Obligations Relating to Termination of Contract

1. Contract Ending Notice. When given by the Director of the Charter Schools Office (“CSO Director”) or the University Board, each of the following written notices to the Academy Board shall constitute a “Contract Ending Notice”: (a) that the University Board will not be renewing the Contract or extending it beyond its then existing term; (b) that the University Board is exercising its right to terminate the Contract; or (c) that the University Board has revoked the Contract. A notice of termination from the Academy shall also constitute a “Contract Ending Notice” for purposes of this policy.

2. Notice to State of Michigan. Within ten (10) days of receipt of a Contract Ending Notice, the Charter Schools Office (CSO) shall give written notice to the Michigan Department of Education and the Michigan Department of Treasury of the non-renewal, non-extension, termination, or revocation of the Contract, as the case may be. Unless otherwise expressly provided in writing by the CSO Director or the University Board, the CSO shall request the Michigan Department of Education’s guidance and procedures on the dissolution, liquidation and winding up of the Academy. The notice given by the CSO shall advise the Michigan Department of Education and the Michigan Department of Treasury of the Contract Ending Date. The “Contract Ending Date” is (a) the date the term of the Contract ends, if the Contract is not being renewed or extended, (b) the effective date of termination, if the Contract is being terminated, or (c) the effective date of revocation, if the Contract is being revoked. The CSO shall simultaneously send the Academy Board a copy of its notice.

3. Plan of Dissolution and Liquidation.

a. When a Contract Ending Notice is received, then, unless otherwise expressly provided in writing by the CSO Director or the University Board, at least forty-five (45)

days prior to the Contract Ending Date, the CSO Director shall submit to the Academy Board a plan of dissolution, liquidation and winding up for the Academy that is in full compliance with the Contract and all Applicable Law, regulations, rules, orders and governmental procedures.

b. The Academy shall immediately comply with the proposed plan of dissolution, liquidation and winding up provided by the CSO Director (the "Plan of Dissolution and Liquidation"). The Academy Board shall not alter the plan of dissolution, liquidation and winding up except by written permission of the CSO Director.

c. If not already in place in accordance with the Contract, the Academy shall cooperate in establishing an Academy Dissolution Administrative Account. If not so provided by existing Contract, upon receipt of a Contract Ending Notice, the University shall direct up to ten thousand dollars (\$10,000) from each subsequent School Aid Fund payment, not to exceed a combined total of thirty thousand dollars (\$30,000) to a separate Academy account ("Academy Dissolution Administration Account") to be used exclusively to pay the costs associated with the wind up and dissolution of the Academy, including but not limited to the expense of audits, inventory, appraisal, sale of unencumbered property, legal and other professional expenses, expenses of winding up corporate existence, the transfer of records, and the placement of students, and other administrative expenses related to dissolution. Within five (5) business days of the CSO's notice, the Academy Board Treasurer shall provide the CSO Director, in a form and manner determined by the CSO, with account detail information and authorization to direct such funds to the Academy Dissolution Administrative Account. The Academy Dissolution Administrative Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as the wind up and dissolution administrative expenses have been satisfied. If the Academy does not cooperate in establishing the Academy Dissolution Administrative Account as directed, then the CSO may proceed to segregate such funds to be held by the University and separately accounted for, to be paid on behalf of or released to the Academy for the purposes described in this Section.

4. Appointment of a Receiver. If requested to do so by the CSO Director or the University Board at any time following a Contract Ending Notice, the Academy Board shall cause the Academy to petition the appropriate Circuit Court of the State of Michigan for the appointment of a receiver to administer the dissolution, liquidation and winding up of the affairs of the Academy. To the extent necessary, the Plan of Dissolution and Liquidation shall thereafter be deemed modified to accommodate the appointment of a receiver. The CSO may, at its option, offer assistance for the Plan of Dissolution by providing services of Wind Up and Dissolution Manager at the CSO's expense.

CHARTER SCHOOLS OFFICE POLICY

Adopted: December 2010
Revised: May 2016

NONESSENTIAL ELECTIVE COURSE

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), this Nonessential Elective Course Policy has been prepared by the Charter Schools Office (CSO). It now becomes part of the Contract and applies immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that is interested in providing nonessential elective courses to pupils at a non-public school site on or after the date set forth above. - I. A public school academy ("Academy") that is interested in providing nonessential elective courses to pupils at a non-public school site shall submit the following documentation and information to the Ferris State University Charter Schools Office:

 - b. The name of the non-public school requesting the nonessential elective courses.

- g. A list of the nonessential elective courses being provided by the Academy to the non-public school, and the time of the day that instruction is provided at the non-public school.
- h. Confirmation that the non-public school is registered with the Michigan Department of Education and meets all the necessary reporting requirements for a non-public school under applicable law.¹
- i. Confirmation that the Academy has confirmed with its insurance carrier that the nonessential elective courses being provided by the Academy to pupils at the non-public school is an activity or program covered under the Academy's existing insurance policy.
- j. A written legal opinion from the Academy's legal counsel confirming that nonessential elective courses provided by the Academy to students at a non-public school (a) is not in violation of the single site requirements under section 504(1) of the Revised School Code ("Code"), MCL 380.504(1) and (b) is in compliance with section 166b of the State School Aid Act of 1979, as amended, MCL 388.1166b. If the Academy contracts with an educational service provider and nonessential elective course instruction is to be provided by educational service provider employees, then the written legal opinion shall also confirm that the Academy's provision of such services through employees of an educational service provider is permitted under applicable law.
- k. A copy of any Academy waiver request submitted to the Superintendent of Public Instruction (and any response received from the Superintendent) in connection with the Academy providing nonessential elective courses to students at a non-public school.
- l. A copy of the Academy Board resolution(s) approving the Contract amendment and authorizing the Academy to provide nonessential elective courses to students at the nonpublic school site.

The Contract amendment shall not take effect until it is approved by the University Board, and once so approved the Contract amendment will be in effect only for the current school year in which the nonessential elective courses are requested and offered, unless an annual written extension to a subsequent school year is issued by the CSO Director after the Academy has once again submitted the information required by Sections B through L of this Policy.

¹ Non-public schools are subject to certain reporting requirements. *See* MCL388.551 et. seq.

NOW THEREFORE BE IT RESOLVED:

1. The application for the reauthorization of Hope of Detroit Academy (the “Academy”) submitted to the Ferris State University Charter Schools Office (FSU CSO) for a term ending on June 30, 2024, is approved contingent upon the Academy Board approving the New Charter Contract (including without limitation the Terms and Conditions and all of the Schedules incorporated therein) and its execution, delivery and filing of the same in the name of and on behalf of the Academy.

The University Board establishes the method of selection, length of term, number of members, qualification of members, the procedure for removal of members, and other matters pertaining to the Academy’s Board of Directors, as follows:

a. Method of Selection. The University Board shall prescribe the methods of appointment for members of the Academy Board. Ferris State University’s Director of Charter Schools (“CSO Director”) is authorized to administer the University Board’s academy board selection and appointment process (including a Public School Academy Board Member Questionnaire or School of Excellence Board Member Questionnaire or Strict Discipline Academy Board Member Questionnaire, as applicable, and required background checks), as provided below:

1. The University Board shall appoint initial and subsequent members of the Academy Board of Directors by formal resolution, except as prescribed by subparagraph (4) of this subparagraph (a). The CSO Director shall recommend nominees to the University Board based upon a review of the applicable Academy Board Member Questionnaire, required background checks and each nominee’s resume. Each nominee shall be available for interview by the University Board or the CSO Director. The University Board may reject any or all Academy Board nominees.
2. The Academy Board shall be provided an opportunity to nominate its subsequent members, by resolution and majority vote, except as provided herein. The Academy Board shall recommend at least one nominee for each vacancy. The Academy Board’s nominees shall submit the applicable Academy Board Member Questionnaire for review by the Ferris State University Charter Schools Office

("CSO"). If the University Board elects not to appoint any of the Academy Board's nominees for a vacant position on the Academy Board or elects to make its own nomination(s), it may nominate and appoint an Academy Board member of its own choosing for that vacant position, or it may request additional nominees from the Academy Board.

3. An individual appointed to fill a vacancy created other than by expiration of the term shall be appointed for the unexpired term of that vacant position.
4. Under exigent conditions, and with the approval of the University Board's Chair, the CSO Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled formal session. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under the exigent conditions provision.

b. Length of Term. Each member of the Academy Board shall serve at the pleasure of the University Board. The initial terms of the members of the Academy Board shall be staggered in a manner determined by the CSO Director, but no individual member's term shall exceed a period of four (4) years. The subsequent term of each member of the Academy Board shall be for a period of four (4) years. The terms for each position shall begin on July 1st and end on June 30th of the pertinent year.

c. Number of Directors. The number of board member positions on the Academy's Board of Directors shall be seven (7). The number of board member positions shall never be fewer than five (5) nor more than seven (7), as determined from time to time by the University Board. If the Academy Board fails to attain or maintain its full membership by making appropriate and timely nominations, the University Board or the CSO Director, may deem that failure an exigent condition.

A vacancy may be left on the initial Academy Board for a parent or guardian representative to allow sufficient time for the Academy Board to interview and identify potential nominees.

d. Qualifications of Members. To be qualified to serve on the Academy Board, a person shall, among other things: (1) be a citizen of the United States; (2) be a resident of the State of Michigan; (3) submit all materials requested by the CSO including, but not limited to, the applicable Academy Board Member Questionnaire which must include authorization to process a criminal background check of the nominee; and (d) submit annually a conflicts of interest disclosure as prescribed by the CSO.

The Academy Board shall include as a member (1) at least one parent or guardian of a child attending the Academy; and (2) one professional educator, preferably a person with school administrative experience. The Academy Board shall include representation from the local community in which the Academy serves.

The members of the Academy Board shall not include (1) any member appointed or controlled by another profit or non-profit corporation; (2) Academy employees or independent contractors performing services for the Academy; (3) any current or former director, officer, or employee of an educational management company that contracts with the Academy; and (4) Ferris State University officials or employees.

e. Oath. Before beginning his/her service, each member of the Academy Board shall take and sign the constitutional oath of office before a justice, judge, or clerk of a court, or before a notary public. The Academy shall cause a copy of such oath of office to be filed with the CSO. No appointment shall be effective prior to the taking, signing and filing of the oath of public office.

f. Removal of Members. The University Board may remove an Academy Board member with or without cause at any time by notifying the affected Academy Board member. The notice shall specify the date when the Academy Board member's service ends. Any Academy Board member may also be removed by a two-thirds (2/3) vote of the Academy Board for cause.

With the approval of the University Board Chair, the CSO Director may suspend an Academy Board member's service, if in his/her judgment the member's continued presence would constitute a risk to persons or property, or would seriously impair the operations of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspension made under this provision.

g. Tenure. Each member of the Academy Board shall hold office until such member's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

h. Resignation. Any member of the Academy Board may resign at any time by providing written notice to the Academy or the CSO. Notice of resignation will be effective upon receipt or at a subsequent time designated in the notice. Any Academy board member who fails to attend three (3) consecutive Academy board meetings without prior notification to the Academy Board President, may, at the option of the Academy Board, the University Board, or the CSO Director, be deemed to have resigned, effective at a time designated in a written notice sent to the resigning Academy board member. A successor shall be appointed as provided by the method of selection adopted by the University Board.

i. Board Vacancies. An Academy Board vacancy shall occur because of death, resignation, removal, failure to maintain United States citizenship or residency in the State of Michigan, disqualification, enlargement of the Academy Board, or as specified in the Code.

j. Compensation. An Academy Board member shall serve as a volunteer director and without compensation for his/her services. By resolution of the Academy Board, the

Academy Board members may be reimbursed for their reasonable expenses incidental to their duties as an Academy Board member.

Section 3.3 Oversight Responsibilities of the University Board. The University Board has the responsibility to oversee the Academy's compliance with the Contract and all Applicable Law. The responsibilities of the Academy and the University Board are set forth in the Oversight Agreement incorporated herein as Schedule 4.

Section 3.4 Reimbursement of University Board Costs. The Academy shall pay the University Board an administrative fee to reimburse the University Board for the cost of its executing its oversight responsibilities. The terms and conditions of the administrative fee are set forth in Schedule 4.

Section 3.5 University Board Approval of Condemnation. In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act, or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the CSO Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property. The CSO Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the CSO Director's recommendation will be submitted by the CSO Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly-scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

Section 3.6 Authorization of Employment. The University Board authorizes the Academy to employ or contract directly with personnel according to the position information outlined in Schedule 5. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy

employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy may contract with an Educational Service Provider to provide persons to perform work at the Academy so long as (a) the agreement complies with the requirements of Section 3.9 of these Terms and Conditions; (b) the Academy has first complied with the Charter Schools Office Educational Service Provider Policies, if any, as then in effect; and (c) the CSO Director has not disapproved the agreement. A copy of the agreement between the Academy and the Educational Service Provider (ESP) shall be made available by the authorizer. ESP job descriptions are included as a part of Schedule 5 of the charter contract.

Section 3.7 CSO Director Review of Certain Financing Transactions Involving Pledge of State Aid. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 *et seq.*, or (ii) direct that a portion of its State School Aid Payments be forwarded by the University acting as fiscal agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the CSO Director; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If no response is made during that period, this transaction shall be considered not to have been disapproved. If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

Section 3.8 University Board Contract Authorization Process.

(a) Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at that end of the Contract Term without any further action of either the Academy or the University Board.

(b) An Academy seeking a renewal of its Contract shall make a formal request to the Charter Schools Office prior to the end of the current Contract term through the Reauthorization Application. Reauthorization packets are sent to academies and Boards of Directors in the beginning of the final contractual academic year. The Charter Schools Office shall provide to the Academy a description of the timeline and process by which the Academy may be considered for issuance of a new contract. The timeline and process for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for the issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not issue a new contract. The University Board, at its own discretion, may change its timeline and process for issuance of a new contract at any time, and any such changes shall take effect automatically without the need for any amendment to the Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract, consider extending the contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

(c) A “reauthorization” shall generally consist of a contractual renewal period of three (3) or more years as granted by the University Board. In lieu of reauthorization, the granting of a contractual extension of a period of generally three (3) years or less will be utilized in those situations in which there is not as great a degree of confidence in the performance of the Academy as in the case of a reauthorization. Appropriate conditions may be placed upon an extension of contract to achieve improvement and performance.

(d) The decision to recommend reauthorization or contract extension to the FSU Board of Trustees shall be determined solely by the CSO Director. Such decisions shall be made in consultation with appropriate CSO staff, visitation reports, and other relevant data for the contractual period or extension period. Academic achievement for all groups of pupils as measured by assessments and other objective criteria shall be the most important factor in the decision whether to reauthorize or extend a contract.

Section 3.9 CSO Director Review of ESP Agreement.

(a) The Academy may enter into an ESP Agreement with an Educational Service Provider to contract out its administrative, educational, management, and/or instructional functions and personnel. For purposes of this Contract, an employee leasing agreement shall be considered an ESP Agreement, and an employee leasing company shall be considered an ESP. The ESP policies of the CSO are incorporated into and deemed part of this Contract. The CSO may, from time to time during the term of this Contract, amend the ESP policies and the amended policies shall apply to the Academy in accordance with Section 12.16 of the Contract, without any amendment under Article IX of this Contract. If the Academy proposes to enter into a new or renewal ESP Agreement, or to extend the term of an existing ESP Agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed ESP Agreement and a detailed description of the means by which the Educational Service Provider will be held accountable to the Academy Board for the day-to-day performance of the Educational Service Provider’s obligations under the ESP Agreement for review by the CSO Director. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement and detailed description in compliance with this Section, the CSO Director

shall notify the Academy if the proposed ESP Agreement is disapproved (the CSO Director may disapprove the proposed ESP Agreement if the ESP Agreement is contrary to this Contract or Applicable Law). If no response is made during that period, the Agreement shall be considered not have been disapproved. If the proposed ESP Agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No ESP Agreement may be entered into that is disapproved by the CSO Director. By not disapproving a proposed ESP Agreement, the CSO Director is in no way giving approval of the proposed ESP Agreement, or any of the terms or conditions thereof. Any subsequent amendment to an ESP Agreement shall be submitted for review by the CSO Director in the same form and manner as a new ESP Agreement.

(b) An ESP Agreement:

(i) may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy;

(ii) shall contain a representation and warranty by the Educational Service Provider to the Academy that no non-competition, no-hire, or similar provisions are included in the Educational Service Provider's employment contracts or other agreements with instructional staff that perform work at the Academy, nor will any such provisions be included in any such contracts or agreements for the duration of the ESP Agreement;

(iii) shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract;

(iv) shall not be for a term extending beyond the term of the Contract;

(v) shall not contain terms inconsistent with the CSO's Educational Service Provider Policies, if any, in effect at the time that the ESP Agreement is entered into, renewed or extended; and

(vi) shall contain the following provisions:

"Indemnification of Ferris State University. The parties acknowledge and agree that the Ferris State University Board of Trustees, Ferris State University and its members, officers, employees, agents or representatives are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the parties hereby promise to indemnify and hold harmless Ferris State University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives from all claims, demands, or liability, including attorney fees, and related expenses, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole

negligence of Ferris State University, which arise out of or are in any manner connected with Ferris State University Board of Trustees' approval of the Academy's application, Ferris State University Board of Trustees' consideration of or issuance of a Contract, the Academy Board's or the Educational Service Provider's preparation for and operation of the Academy, or which are incurred as a result of the reliance by Ferris State University, Ferris State University Board of Trustees or its members, or their respective officers, employees, agents or representatives, upon information supplied by the Academy Board or the Educational Service Provider, or which arise out of the failure of the Academy Board or the Education Service Provider to perform its obligations under the Contract or Applicable Law. The parties expressly acknowledge and agree that Ferris State University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives, or any of them, may commence legal action against either party to enforce its rights as set forth in this Agreement."

"Agreement Coterminous with Academy's Contract; Reconstitution. If:

- (i) the Academy's Contract issued by the Ferris State University Board of Trustees is suspended, revoked or terminated; or
- (ii) the charter contract is not reauthorized or extended to the Academy after expiration of the Contract;
- (iii) termination of the ESP Agreement is required by the University in connection with reconstitution of the Academy;"

"Compliance with Academy's Contract. The Educational Service Provider agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Academy's Contract issued by Ferris State University Board of Trustees. The provisions of the Academy's Contract shall supersede any competing or conflicting provisions contained in this Agreement."

"Compliance with Section 503c. On an annual basis, the ESP agrees to provide the Academy Board with the same information that a school district is required to disclose under Section 18(2) of the State School Aid Act of 1979, MCL 380.1618, for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information, the Academy Board shall make the information available on the Academy's website home page, in a form and manner prescribed by the Michigan Department of Education. The defined terms in Section 503c of the Code, MCL 380.503c, shall have the same meaning in this agreement."

Section 3.10 Certain Other Transactions Requiring Review by the CSO Director. If the Academy desires to enter into a purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, or (ii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable),

submit the same for review and comment by the University Charter Schools Office. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement, the CSO Director shall notify the Academy if the proposed agreement is disapproved (the CSO Director may disapprove the proposed agreement in his or her sole discretion). If no response is made during that period, the transaction shall be considered not to have been disapproved. If the proposed agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or other party to the agreement, would cause such disapproval to be deemed withdrawn. No agreement described in this Section may be entered into that is disapproved by the CSO Director.

ARTICLE IV

REQUIREMENT THAT THE ACADEMY ACT SOLELY AS GOVERNMENTAL ENTITY

Section 4.1 Limitation on Actions in Performance of Governmental Functions. The Academy shall act exclusively as a governmental agency and shall not undertake any action inconsistent with its status as a body corporate authorized to receive state school aid funds pursuant to Section 11 of Article IX of the State Constitution of 1963.

Section 4.2 Other Permitted Activities. Nothing in this Contract shall prohibit the Academy from engaging in other lawful activities that are not in derogation of the Academy's status as a public school or that would not jeopardize the eligibility of the Academy for state school aid funds. With the exception of agreements that require prior submittal to the CSO Director or the University Board (or its designee) for review and which have either (a) not been submitted for review, or (b) been submitted for review and disapproved, the Academy may enter into agreements with other public schools, public school academies, schools of excellence, governmental units, businesses, community and nonprofit organizations where such agreements contribute to the effectiveness of the Academy or advance education in this state.

A person who does not serve in their individual capacity, or who serves as a representative or designee of another person or entity, shall be deemed ineligible to continue to serve as a Director of the Academy Board. Section 4.5 Prohibition of Identified Family Relationships. The Academy Board shall prohibit specifically identified family relationships pursuant to Applicable Law and the Terms and Conditions of this Contract. Notwithstanding any other provision of this Contract, the following shall be deemed prohibited familial relationships for the purposes of this Contract:

(a) No person shall be appointed or reappointed to serve as an Academy Board member if the person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or same-sex domestic partner:

AMENDMENT

Section 9.1 Amendments. The University Board and the Academy acknowledge that the operation and administration of a public school academy and the improvement of educational outcomes over time will require appropriate amendment of this Contract. In order to assure a proper balance between the need for independent development of the Academy and the statutory responsibilities of the University Board as an authorizing body, the parties have established a flexible process for amending this Contract.

Section 9.2 Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The Partnership Agreement shall be incorporated into this Contract by amendment pursuant to Article IX of these Terms and Conditions and shall be included as a Schedule. The CSO shall propose to the University Board any amendments to this Contract that are needed to ensure the Partnership Agreement is consistent with this Contract.

Section 9.7 Emergency Action on Behalf of University Board. Notwithstanding any other provision of this Contract to the contrary, the contents of this Section shall govern in the event of an emergency situation that arises between meetings of the University Board. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.2 Automatic Amendment of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.2, if the University Board is notified by the Michigan Department of Education (MDE) that an Academy site is subject to closure under Section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the

Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy. Following receipt of the State's Automatic Closure Notice, the Charter Schools Director shall forward a copy of the notice to the Academy Board and may request a meeting with Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice including the granting of any hardship exemption by the MDE rescinding the State's Automatic Closure Notice ("Pupil Hardship Exemption"), shall be directed to the MDE, in a form and manner determined by the MDE.

If the MDE rescinds the State's Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to the Charter Schools Office a proposed Contract amendment incorporating the MDE's school improvement plan, if applicable, for the identified site(s).

If the Michigan Department of Education elects not to issue a Pupil Hardship Exemption and the Charter Schools Director determines, in his or her discretion, that the closure of one or more sites as directed by the MDE creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Charter Schools Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter "Economic Hardship Termination"). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board's revocation procedures set forth in Section 10.4 do not apply to an automatic termination initiated by the State's Automatic Closure Notice or an Economic Hardship Termination under this Section.

Section 10.3 Grounds and Procedures for University Termination of Contract. The University Board, in its discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; or (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Charter Schools Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.2, the revocation procedures in Section 10.4 shall not apply.

Section 10.4 Statutory Grounds for Revocation. In addition to the grounds for an automatic revocation of the Contract as set forth in Section 10.2, this Contract may also be revoked

by the University Board upon a determination by the University Board, pursuant to the procedures set forth in Section 10.6, that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or meet the educational goals set forth in the Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.5 Other Grounds for University Board Revocation. In addition to the statutory grounds for revocation set forth in Section 10.4 and the grounds for an automatic revocation set forth in Section 10.6, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy is insolvent, has been adjudged bankrupt, or has operated for two (2) or more school fiscal years with a fund balance deficit;
- (b) The Academy has insufficient enrollment to successfully operate a public school academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (c) The Academy defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract;
- (d) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Consumer and Industry Services, Bureau of Commercial Services without first obtaining the University Board's approval;
- (e) The University Board or its designee discovers grossly negligent, fraudulent or criminal conduct by the Academy's applicant(s), directors, officers, employees or agents in relation to their performance under this Contract; or
- (f) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Charter Schools Office or the University Board in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.6 University Board Procedures for Revoking Contract. Except for the automatic revocation process set forth in Section 10.2, or the termination of Contract by the University Board pursuant to Section 10.3, the University Board's process for revoking the Contract is as follows:

(a) Notice of Intent to Revoke. The CSO Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

(b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the CSO Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response shall also contain a description of the Academy Board's plan and time line for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the CSO Director prior to a review of the Academy Board's response.

(c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the CSO Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the CSO Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the CSO Director shall develop a plan for correcting the non-compliance ("Plan of Correction"). In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the CSO Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.

(d) Plan of Correction May Include Conditions to Satisfy University Board's Contract Reconstitution Authority. As part of the Plan of Correction, the CSO Director may reconstitute the Academy in an effort to improve student educational performance and to avoid interruption of the educational process. An attempt to improve student educational performance may include, but is not limited to, one of the following actions: (i) removal of one (1) or more members of the Academy Board; (ii) termination of at-will board appointments of one or more Academy Board members; (iii) withdrawal of the Academy's authorization to contract with an ESP; (iv) a requirement that the Academy Board terminate the existing ESP Agreement; or (v) the appointment of a new Academy Board or a trustee to take over operations of the Academy. The CSO shall notify the Superintendent of Public Instruction of any Plan of Correction that includes a reconstitution of the Academy to ensure that the Academy is not included on the list of school buildings subject to automatic closure.

(e) Request for Revocation Hearing. The CSO Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the CSO Director determines that any of the following has occurred:

(i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);

(ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;

(iii) the Academy Board's response admits violations of the Contract or Applicable Law which the CSO Director deems cannot be remedied or cannot be remedied in an appropriate period of time, or for which the CSO Director determines that a Plan of Correction cannot be formulated;

(iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;

(v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);

(vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or

(vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The CSO Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

(f) Hearing before University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the University Charter Schools Office and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the CSO Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the CSO Director and shall not last more than three (3) hours. The hearing shall be transcribed by a court reporter and the cost of the court reporter shall be divided equally between the University and the Academy. The CSO Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the CSO Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this

sub-section. A copy of the Hearing Panel's recommendation shall be provided to the University Charter Schools Office and the Academy Board at the same time that the recommendation is sent to the University Board.

(g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular formal session, the University Board shall consider the Hearing Panel's recommendation at its next regular formal session and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special formal session to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the University Charter Schools Office, the Academy Board and the Michigan Department of Education.

(h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.

(i) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a recommendation is made by the Hearing Panel to revoke the Contract, or a decision by the University Board to revoke the Contract, may be withheld by the University Board or returned to the Michigan Department of Treasury upon request.

Section 10.7 Contract Suspension. The University Board's process for suspending the Contract is as follows:

(a) Charter Schools Office Director Action. If the CSO Director determines that probable cause exists to believe that the Academy Board (i) has placed staff or students at risk; (ii) is not properly exercising its fiduciary obligations to protect and preserve the Academy's public funds and property; (iii) has lost its right to occupancy of the physical facilities described in Schedule 6, and cannot find another suitable physical facility for the Academy prior to the expiration or termination of its right to occupy its existing physical facilities; (iv) has failed to secure or has lost the necessary fire, health, and safety approvals as required by this Contract; (v) has willfully or intentionally violated this Contract or Applicable Law; or (vi) has violated Section 10.4(d), the CSO Director may immediately suspend the Contract. A copy of the suspension notice, setting forth the grounds for suspension, shall be sent to the Academy Board and to the Hearing Panel. If this subsection is implemented, the notice and hearing procedures set forth in Section 10.6 shall be expedited as much as possible.

(b) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a decision by the Charter Schools Director to suspend the Contract, may be retained by the University Board for the Academy until the Contract is reinstated, or may be returned to the Michigan Department of Treasury upon the State's request.

(c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the CSO Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in Section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the time line for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Charter Schools Office and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with Section 10.6(f) through (h).

Section 10.8 Venue; Jurisdiction. The parties agree that all actions or proceedings arising in connection with this Contract will be tried and litigated only in the Circuit Court of Mecosta County, Michigan, the Michigan Court of Claims or the Federal District Court for the Western District of Michigan. The parties hereby irrevocably accept for themselves and in respect of their property, generally and unconditionally, the jurisdiction of such courts. The parties irrevocably consent to the service of process out of any such courts in any such action or proceedings by the mailing of copies thereof by registered or certified mail, postage prepaid, to each such party, at its address set forth for notices in this Contract, such service to become effective ten (10) days after such mailing. The parties irrevocably waive any right they may have to assert the doctrine of forum non conveniens or to object to venue to the extent any proceeding is brought in accordance with this Section.

Section 10.9 Material Breach of Contract. The issuance of order by the Superintendent of Public Instruction placing the Academy under the supervision of the Office of Partnership Districts, shall constitute a material breach of this Contract. Following the issuance of the order, the University Board shall send notice to the Academy of the material breach and request a meeting with Academy Board representatives to discuss the matter. To remedy the material breach, the Academy shall work toward the development of a corrective action plan that is acceptable to the University Board. In addition to other matters, the corrective action plan shall include the Academy's redesign plan. The development of a corrective action plan under this Section shall not in any way limit the rights of the University Board to suspend, terminate or revoke this Contract.

Section 10.10 Conservator; Appointment by University President. Notwithstanding any other provision of the Contract, in the event that the health, safety and welfare of Academy students, property or funds are at risk, the University President, after consulting with the University Board Chairperson, may appoint a person to serve as the Conservator of the Academy. Upon appointment, the Conservator shall have all the powers of a Board of Directors of a Public School Academy and act in the place and stead of the Academy Board. The University President shall appoint the conservator for a definite term which may be extended in writing. During the appointment, the Academy Board members are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. During their appointment, the Conservator shall have the following powers:

(a) take into his or her possession all Academy property and records, including financial, board, employment and student records;

(b) institute and defend actions by or on behalf of the Academy;

(c) continue the business of the Academy including entering into contracts, borrowing money, and pledging, mortgaging, or otherwise encumbering the property of the Academy as security for the repayment of loans. However, the power shall be subject to any provisions and restrictions in any existing credit documents;

(d) hire, fire and discipline employees of the Academy;

(e) settle or compromise with any debtor or creditor of the Academy, including any taxing authority;

(f) review all outstanding agreements to which the Academy is a party and to take those actions which the Academy Board may have exercised to pay, extend, rescind, renegotiate or settle such agreements as needed; and

(g) perform all acts necessary and appropriate to fulfill the Academy's purposes as set forth under the Code or this Contract.

Section 10.11 State Board of Education Revocation Procedures. As required by the Code, any legal remedy adopted by the State Board of Education shall automatically apply to this Contract. If any legal remedy adopted by the State Board of Education alters or supersedes existing provisions of this Contract, the remedy of the State Board of Education shall apply.

Section 10.12 Emergency Action on Behalf of University Board. Notwithstanding any other provision of this Contract to the contrary, the contents of this Section shall govern in the event of an emergency situation that arises between meetings of the University Board. An emergency situation shall be deemed to occur if the University President or their designee, in his or her sole discretion, determines that the facts and circumstances warrant that emergency action take place before the next meeting of the University Board. Upon the determination that an emergency situation exists, the University President or his or her designee may temporarily take action on behalf of the University Board with regard to the Academy Board or any aspect of the Contract, so long as such action is in the best interests of the University Board. When acting during an emergency situation, the University President or their designee shall have the authority to act in place of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board, or (b) the next meeting of either the University Board or University Board Executive Committee. The University President shall immediately report such action to the University Board for confirmation at the next meeting of either the University Board or the University Board Executive Committee. The University Board or the University Board Executive Committee may confirm the emergency action taken by the University President or their designee so that the emergency action continues or, upon confirmation by the University Board, becomes permanent.

Section 10.13 Academy Dissolution Account. If the University Board terminates, revokes or fails to issue a new Contract to the Academy, the Charter Schools Director shall notify the Academy that, beginning thirty (30) days after notification of termination by either party or Academy Board, the University Board may direct up to \$10,000 from each subsequent State School Aid Fund payment, not to exceed a combined total of \$30,000, to a separate Academy account (“Academy Dissolution Account”) to be used exclusively to pay the costs associated with the wind up and dissolution responsibilities of the Academy. Within five (5) business days of the Charter Schools Director’s notice, the Academy Board Treasurer shall provide the Charter Schools Director, in a form and manner determined by the CSO, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind up and dissolution expenses have been satisfied.

If the Academy has an existing deficit fund balance in the most recently completed school fiscal year, or adopts a current year budget that projects a deficit fund balance, all of the following apply:

(i) the Academy shall notify the Superintendent and the State Treasurer immediately upon the occurrence of the circumstance, and provide a copy of the notice to the Charter Schools Office.

The insurance shall be obtained from a licensed mutual, stock, or other responsible company licensed to do business in the State of Michigan with an AM Best Rating of “A-VII” or better. The Academy may join with other public school academies to obtain insurance if the Academy Board finds that such an association provides economic advantages to the Academy. The Academy shall list the University on the insurance policies as an additional insured on insurance coverages. The Academy shall have a provision included in all policies requiring notice to the University at least thirty (30) days in advance, upon termination or non-renewal of the policy.

The Academy also is limited in its authority to contract by the amount of funds obtained from the state school aid fund, as provided hereunder, or from other independent sources. The Academy hereby agrees and covenants not to sue the University or any of its trustees, officers, employees, agents or representatives for any matters that arise under this Contract or otherwise. The University does not assume any obligation with respect to any director, employee, agent, parent, guardian, student, or independent contractor of the Academy, and no such person shall have the right or standing to bring suit against the University or any of its trustees, employees, agents, or independent contractors as a result of the issuing, overseeing, revoking, suspending or terminating of this Contract or as a result of not issuing a new Contract at the end of the term of the Contract, or placing the Academy on Probationary Status.

Section 11.22 Non-Endorsement. No action taken by the University Board with respect to the Academy shall be taken as an endorsement in any way by the University of the Academy or any aspect thereof.

Section 11.23 Lease or Deed for Proposed Single Site. Prior to entering into any lease agreement for real property, the Academy shall provide to the Charter Schools Office copies of its lease or deed for the premises in which the Academy shall operate in a form and manner consistent with the Lease Policies, which are incorporated into and be deemed part of this Contract. A copy of the final executed lease agreement shall be included in this Contract under Schedule 6. The Charter Schools Office may, from time to time during the term of this Contract, amend the Lease Policies and such amended lease policies shall automatically apply to the Academy without the need for a Contract amendment under Article IX of these Terms and Conditions. The Charter Schools Office may disapprove the proposed lease agreement submitted by the Academy if the least agreement is contrary to this Contract, the Lease Policies, or Applicable Law. Any subsequent amendment to a lease agreement shall be submitted for review by the Charter Schools Office in the same form and manner as a new lease agreement.

Any lease agreement entered into by the Academy shall include a termination provision permitting the Academy to terminate the lease, without cost or penalty to the Academy, in the event that the Academy is required to close an Academy site covered by the lease (i) pursuant to a notice issued by the Department under Section 507 of the Code, MCL 380.507 and these Contract Terms and Conditions. The provision shall also provide that the lessor/landlord shall have no recourse against the Academy or the University Board for implementing the site closure or reconstitution. Nothing in this paragraph shall prevent the lessor/landlord from receiving lease payments owed prior to site closure or reconstitution, or relieve the Academy from paying any costs or expenses owed under the lease prior to site closure or reconstitution.

A copy of the Academy's amended lease or deed shall be incorporated into this Contract under Schedule 6. Any subsequent amendments to any Academy real estate leasing agreement shall only be incorporated into this Contract pursuant to Article IX of these Terms and Conditions.

SECTION b

EDUCATIONAL GOAL POLICIES

Charter Schools Office Policy

Adopted: 2010

Revised: 2019

CONTRACTUAL EDUCATIONAL GOAL AND RELATED MEASURES

Ferris State University monitors demonstrated improved pupil academic achievement for all groups of pupils as required by the Revised School Code.

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), this contractual Educational Goal Policy has been prepared by the Ferris State University Charter Schools Office (CSO). It now becomes part of the Contract and will go into effect thirty (30) days after Academy Board notification, as stated in these new Terms and Conditions of the Contract for all academies being authorized or reauthorized pursuant to Contracts issued by the University Board. Failure by the Academy Board to comply with this policy may result in the non-issuance of a Contract, or for existing academies, the initiation of suspension, termination or revocation proceedings under the Contract, and will be taken into account when considering reauthorization of an academy upon expiration of the contract.

A. EDUCATIONAL GOAL AND RELATED MEASURES

The Academy shall pursue the educational goal of preparing all students academically for success in college, work, and life. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the CSO also considers other factors. Upon request, the Academy shall provide to Ferris State University a written report, along with supporting data, demonstrating:

1. Improved academic achievement for all groups of students
2. Measurable progress toward the achievement of the educational goal

It is expected that the Academy will meet the State of Michigan's academic standards and any improvement targets required to be achieved pursuant to state and federal law. The Academy is also expected to remain off the Priority School List published by the Michigan Department of Education or School Reform Office. If the Academy already has school buildings identified on this list, it is expected to make the progress necessary for them to no longer be identified.

B. EDUCATIONAL GOAL TO BE ACHIEVED

Academies authorized by the Ferris State University Board of Trustees will prepare all students academically for success in college, work, and life.

C. MEASURES FOR DETERMINING GOAL ACHIEVEMENT

To determine whether the Academy is demonstrating measurable progress in preparing all students academically for success in college, work, and life, the CSO will assess the Academy’s performance using the following measures of student growth and achievement. The Academy will properly administer the tests detailed under each of the following metrics in accordance with the time frames identified in the Academy’s Master Calendar of Reporting Requirements.

Measure 1: Student Growth Towards Achievement (All Academies)

Improved academic achievement for all students in Grades 2-10 regardless of each student’s achievement level. On average, all students, regardless of academic ability, will meet or exceed national average growth.

Grade(s)	Goal	Metric
Grades 2-8	The Fall to Spring growth rate for all students in Reading and Math of each grade and subject area as measured by the CSO designated nationally norm-referenced test will fall at or above the 50 th percentile.	Average percent of growth (gains percentile) as measured by the CSO required nationally normed test for each grade level and subject area**
Grades 9-10	The average Spring to Spring Subject Area Scores on state assigned college entrance suite of assessments will increase by 30 points for matched students. If average scores are at or above the published benchmark, subject area scores are expected to increase.	Spring to spring subject area scores on the state provided college entrance suite of assessment for students with scores in both testing periods. 9 th Grade-10 th Grade 10 th Grade-11 th Grade

**The CSO will look at the total number of grade levels for each subject area in determining progress towards the CSO determined assessment growth goal. (i.e., in a Grade 2-8 building, there are 7 Grades, with 14 data points. Meeting 12/14 would not be attaining the goal; however, it would be a factor in determining school support status.)

Measure 2: Student Achievement

The academic achievement of all students in grades 2-10, who have been enrolled for a full academic year at the Academy, will be, on average, at or above the 50th percentile and/or improve from year to year and over the course of the charter contract. **

Grade(s)	Goal	Metric
Grades 2-8	The average Spring percentile ranking for the Academy on a nationally normed assessment will be at the 50 th percentile in both Math and Reading.	The average national achievement percentile ranking for Math and Reading (Grades 2-8 combined) will be at the 50 th percentile.**
Grades 8-11	Students' average achievement levels on the state assigned college entrance suite will be at the 50 th percentile.	The national percentile ranking of the average total score for all assessed students in each individual grade (8 th , 9 th , 10 th , & 11 th) on the state assigned college entrance suite will be at or above the 50 th percentile.**

**The CSO will look at the percentile ranking for each subject area in determining progress towards this student achievement goal. (i.e. if a school's average percentile ranking is not at or above the 50th percentile in any area, the CSO will look at whether the school's percentile ranking is increasing from year to year and over the course of the charter contract.)

Measure 3: Student Achievement & Growth: Relative Performance and State/Federal Accountability

State Assessment:

Grade(s)	Goal	Metric
Grades 3-8	The percent proficient of all grade levels assessed in ELA and Math as determined by the state identified assessment for each grade will be at or above the resident and composite district.	State Required Assessment Composite resident district will be determined based on pupil enrollment as submitted to CEPI via MSDS in the fall of each academic year.
Grade 11	The percent proficient in EBRW and Math will be at or above resident and composite district.	State assigned college entrance exam.
All Grades Assessed:	The growth values for both ELA and Math must meet or exceed the established state targets.	State determined growth component index target values

** The CSO will look at the year-to-year growth component index value in determining progress towards this growth goal (i.e. if a school's growth values reduce the gap between the state target values and the school's growth values by 25% year to year and over the course of the charter contract.)

College Entrance:

Grade(s)	Goal	Metric
Grade 11	The average composite score on the state selected college entrance exam will be at or above the Academy's resident and composite district.	State required college entrance exam.

State/Federal Accountability:

Grade(s)	Goal	Metric
School	The Academy will have an index score of 40 or higher. Based on contractual language, the Academy cannot be in the bottom 5% of index values at anytime	School Reform/Michigan Department of Education Annual Top to Bottom ranking.

Strict Discipline and Alternative Education Academies

Academies designated as Strict Discipline Academies or Alternative Education Academies, as per the Michigan School Code, may be exempted from certain parts of these requirements due to their unique nature. In all cases, specific educational goals will be mutually developed and agreed upon by the Academy and FSU CSO and shall be attached to the contract.

New Academies

For the first three (3) years of operation, new academies will be expected to improve academic achievement for all grades and subject areas using the following measures:

Measure 1: Student Growth

Measure 2: Student Achievement

Measure 3: State/Federal Accountability, as required by the State.

SECTION c

- All assessments must be in compliance with the Revised School Code.
- The Academy shall properly administer all state-mandated academic assessments identified in the Code.
- The Academy shall properly administer the academic assessments identified in the current contractual Terms and Conditions and adhere to the ethical standards and assessment procedures associated with these assessments in accordance with the requirements detailed in the Master Academic Calendar annually issued by CSO. - The Academy shall authorize the CSO to have access to the Academy's Student/School Data Applications through the Center for Educational Performance and Information (CEPI), and the electronic reporting system administered by the Michigan Department of Education to access the Academy's state assessment results, as applicable.

Written reports on the progress of the Academy's goals shall be submitted annually to Epicenter by June 30.

SECTION e

ADMISSION POLICY AND CRITERIA

ADMISSION POLICY AND CRITERIA

Revised: April 2018

Enrollment Information

Charter schools, legally known as public school academies (PSAs) can set maximum enrollment numbers but **cannot pick and choose which students to enroll**. MCL 380.504 (2) is very clear:

(2) A public school academy shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a school district and may give enrollment priority as provided in subsection (4).

(4) A public school academy may give enrollment priority to one (1) or more of the following:

(a) A sibling of a pupil enrolled in the public school academy.

(b) A pupil who transfers to the public school academy from another public school pursuant to a matriculation agreement between the public school academy and other public school that provides for this enrollment priority, if all of the following requirements are met:

(i) Each public school that enters into the matriculation agreement remains a separate and independent public school.

(ii) The public school academy that gives the enrollment priority selects at least 5% of its pupils for enrollment using a random selection process.

(iii) The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

(c) A child of a person who is employed by or at the public school academy or who is on the board of directors of the public school academy. As used in this subdivision, "child" includes an adopted child or a legal ward.

All PSAs must have an Open Enrollment Period of at least two (2) weeks that include opportunities for students to enroll. Enrollment times must include some evening and weekend times. (MCL 380.503 (6) (ii)) The Open Enrollment times and information must be advertised. The main purposes of Open Enrollment are to allow currently enrolled students to enroll for next year (guaranteeing them a spot if the family completes the enrollment process), allow new enrollees to submit applications, and establish preliminary student numbers so the school can make staffing and mandated decisions about student admission.

Before Open Enrollment, the **school needs to set enrollment maximums** by building or grade level(s). These grade/building level maximums should be available on the PSA's website, as well as included in their Open Enrollment posted advertisements. Maximums can be stated as either the total number of available slots per grade/building or the current number of openings per grade/building (subtract current enrollees from total maximum number per grade/building). The posting should also indicate that the PSA Board has the ability to change the maximum enrollment numbers per grade/building based on potential enrollees, available staff, and facility limitations.

When the Open Enrollment period ends, the building leader, with input from the Board, must determine if the number of new enrollees (students not currently enrolled) exceeds the number of open slots in a grade, combination of grades, the building, or the district. **The building leader must also add any new enrollees who are siblings of currently enrolled students, whose parent or legal guardian is employed by the school or who is currently on the board of directors, or new enrollees who are part of a matriculation agreement to the currently enrolled number.** These students get enrollment priorities based on MCL 380.504 4(c) and do not need to be placed into the lottery procedure. **If the number of new enrollees DOES NOT EXCEED the number of open slots, no lottery is needed. This means the school has the staff and facility capabilities to educate the combination of currently enrolled students plus the new enrollees. Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects "Enrollment maximum not exceeded, no lottery needed."**

If the number of new enrollees during the Open Enrollment period EXCEEDS the number of open slots, a lottery is needed and must be scheduled within two (2) weeks of the close of the Open Enrollment period. The building leader must inform the Ferris State University Charter Schools Office (CSO) field representative the time, date, and location of the lottery. **Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects "Enrollment maximum exceeded, lottery required."** Field Representatives or a CSO representative attends academies' lotteries to observe and verifies via School Visitation Report. Because an "impartial party" draws the student name cards, the CSO staff member should not actually pick the cards, but observe the process.

Field Representatives must remind their schools to follow the contractual lottery process:

LOTTERY PROCESS

Place the name and grade (or other system of grouping) of each student registered to enroll on a 3" x 5" card. Also on a card, place the name and grade (or group) of all siblings who have applied for admission.

Sort cards by grade (or group).

Start lottery with either highest grade offered or lowest grade offered.

Place cards, for group to be drawn, in an opaque container large enough to thoroughly mix the cards.

Mix the cards.

Have an impartial party draw the cards.

Announce the name of student drawn on each card and write the name on a numbered roster sheet for that group. (Note: roster sheets should provide for identifying the status that placed the student's name on the sheet, "Drawing" or "Sibling".)

Place sibling name(s) on the appropriate roster sheets. (Note: roster sheets should provide for identifying the status that placed the student's name on the sheet, "Drawing" or "Sibling".)

Remove sibling cards from their drawing group.

Continue the process until available seats for the group are filled.

Continue the process and place the remaining student names on a waiting-list roster for that group in the order they are drawn. (Note: **Do not remove sibling cards from their drawing group when a student is placed on the waiting list. They still have a chance of being selected during the drawing for their group or for another siblings group.**)

Continue the process until all names, for that group, have been drawn.

Repeat the process chronologically for each group until all names for all groups have been drawn and the lottery is concluded.

An initial waiting list is populated during the lottery process above based on the order the student's name was drawn after the grade or building enrollment limit was met. The waiting list for enrollees AFTER the lottery process or Open Enrollment period ends is populated by new enrollees in the order the enrollment process is completed based on date and time. These students are added to the initial waiting list based on the time and date of their enrollment.

Building leaders must inform their field representative when a waiting list is generated. **Field Representatives then inform the CSO that a waiting list has been created** (name of school, grades that have a waiting list, any known plans to add sections/staff/space to eliminate waiting list, etc.) Field representatives periodically review academies' waiting lists and verify on School Visitation Report. There are no Epicenter submissions for waiting lists.
