RE: Ferris State University Diversity Office

Recently, President Eisler appointed Dr. David Pilgrim as the Chief Diversity Officer for Ferris State University. Many of you know Dr. Pilgrim and may have heard him speak at Kendall last year in conjunction with the Hateful Things exhibition. I invite you to visit the website for the Diversity Office (www.ferris.edu/diversity).

I write to you to express my personal support for the work being done by the Diversity Office in working to transform Ferris State University into a truly diverse institution. Moreover, as the opportunity arises, encourage you to work cooperatively with the Diversity Office, especially should the Office seek information.

I have indicated to Dr. Pilgrim that Kendall looks forward to being involved in the work of the Diversity Office and encourage you to speak with me personally if you have a particular interest in being involved in this work.
