FSUS 100 Semester Project
Developing your Personal Academic Plan
100 points

Your semester project is developing your opportunity for a successful future by planning for your academic success. This is to include a semester by semester schedule of classes to fulfill the graduation requirements for your desired Ferris State University program.

1. The first step in this plan is to complete the first year schedule plan worksheet. (20 points)
2. Next get the plan approved by Dr. Dix or before you schedule your classes. (10 points)
3. Schedule your classes for next semester.
4. Revise your plan based upon your actual schedule of classes for Spring 2011. (10 points)
5. Complete the semester-by-semester plan for each semester until your intended graduation. Keep in mind prerequisites and class offerings. (40 points)
6. Schedule an appointment and have your complete plan reviewed by Dr. Dix (20 points)
7. Revise as necessary. Repeat steps 2-5 each semester with your assigned advisor.
