Thank you for participating in this seminar. We enjoyed working with you and getting to know you better. Our hope is that you have become better prepared to advise students throughout the coming years. Here is your chance to tell us what you really thought about our workshop. Please circle your response to each question and then give us some narrative feedback to support your response.

1. How would you rate the seminar facilitators?  
Excellent       Good        Fair       Poor

2. Please rate the learning outcomes usefulness:
   a. Create a Blackboard advising shell.  
      Excellent       Good        Fair       Poor
   b. Describe the advantages of creating an online site for your advisees.  
      Excellent       Good        Fair       Poor
   c. Identify the tools that you would like to add to your shell.  
      Excellent       Good        Fair       Poor
   d. Discuss ways that you can utilize this site to achieve better communication with your advisees.  
      Excellent       Good        Fair       Poor

3. Now, please give us some feedback about logistics:
   Location       
      Excellent       Good        Fair       Poor
   Lunch/Refreshments  
      Excellent       Good        Fair       Poor
   Session Length  
      Excellent       Good        Fair       Poor

4. Please give us some guidance on ways we might improve this workshop:
a. What should we be sure to continue to do?

b. What should we change or add?

c. What should we drop altogether?

d. What do you think you need more detailed help on in a future session?

5. What is your overall rating of the workshop?

   Excellent   Good   Fair   Poor
