1. Proposal Summary
(Summary is generally less than one page. Briefly: state what is proposed with a summary of rationale and highlights. Additional rationale may be attached.)

The Banner caps and the course caps for English 321 and English 321 (Pharmacy) differ—and they differ from the caps for similar courses (English 323, 311, and 325) within the advanced writing curriculum. This proposal brings all of these caps into alignment.

Change: All 300-level (and above) writing courses should be capped at 23 students, based on department enrollment practice.
