Faculty and Staff Diversity Mini-Grant Final Report

Project Title: “Students with Children (SWC) – Tour of Museums”
Grant Recipients: Students with Children Program
Date Project Started: Summer 2011
Amount of Money Funded by the Mini-Grant: $5,000.00

1. How was the grant used to address a diversity or inclusion related goal?

Students with Children (SWC) program at Ferris State University is a diverse program in itself. Students of multiple ages, physical abilities, ethnic, religious, geographic and demographic backgrounds are participants in the program. The program provides support to families with children from infancy until 18 years of age. These families often times feel excluded from the general enrollment due to their family status. The museums scheduled were appropriate for a variety of age groups represented at Ferris State (ranging from ages 1-60+) and allowed families to choose the museum tour(s) that best “fits” their family structure and interest. The purpose of applying for the mini grant funds was to provide this underserved population of students an opportunity to learn about different cultures, animal species, art, creativity and history. We believe this grant allowed the program to fulfill the purpose to those who attended the museum tours.
2. Describe the audience that was impacted by the grant’s implementation. Provide quantitative data, if available.

Our goal was to offer a variety of museum options that could enhance their family learning by selecting museums that the student may have previously attended and chose to share that experience with the child(ren) and to expand their horizons by choosing a museum that was a new experience for them.

These events not only built Ferris student-family relationships by supporting positive family interactions for our students, but also inspired their children by leaving long lasting memories that they shared with their peers. The SWC program concluded the “Tour of Museums” by exposing participants to two of the world’s largest museums; The Shedd Aquarium and The Museum of Science and Industry. This trip was blended with other attractions in downtown Chicago and provided overnight accommodations.

Participants who attend The Tour of Museums, other programs offered by SWC, and took advantage of the University and community resources developed a bond with Ferris and each other that will strengthen and promote ties to the University community. We believe that SWC participants are more likely to be retained and graduate from Ferris in comparison to families who choose not to take advantage of the family resources. It was not noted in the evaluation comments, but many parents stated verbally that their family would not have been able to see these attractions if it wasn’t for the resources provided by the grant and the SWC program.
3. What is your overall assessment of the project’s impact on the Ferris community? How did this impact compare to what you expected?

In reviewing the written feedback from the questionnaire summaries and recalling the verbal feedback at the time of museum tours, we believe the feedback was more positive than what we expected. The excitement from the kids during the hands-on activities, the visual attractions, and seeing animal species confirmed a great learning experience. The parents were very engaged as well. With some of the museum tours the SWC program was able to combine a visit to a nearby attraction, such as a zoo or an adventure train ride. The cost for the added attraction was paid for by the SWC program.

There was an average of 30 attendees (include parents & children) at each event with a total of eight museums scheduled throughout the grant period. The SWC program scheduled a grand finale museum trip to Chicago to visit The Shedd Aquarium and The Museum of Science and Industry. Participants were eligible to attend the grand finale if they had attended at least two of the prior museum tours throughout the grant period. There were 37 attendees who participated in the grand finale. Attached with this report are the evaluation summaries for each museum for your review. Also attached is the expense report for the cost of the museum tours and a separate expense report for the Chicago trip. Attached to this report are summaries of each museum tour for your review.

**Comments**

Where's the food and train robbery?

We should have a movie night!

Train was boring. Museum was ok. 3 yr old isn't interested in history.

We loved it! Very fun day!

Was extremely fun. Should go again in the summer for train robbery!

The Children's Museum would have been more interesting for children.

Could we visit a pumpkin patch next year? Like Andersen + Girls, with the petting zoo?

Thanks a bundle!

Enjoyed ever aspect of the event, on the top of the list of best ever events!

My family really enjoyed this trip and we would like to say thank you for giving us this opportunity.

**Comments:**

- Very enjoyable trip, children didn’t want to go home.
- Food service was terrible.
- Loved it!
- Tour optional, small children not patient enough.
- This was very fun, very informative. I think we should visit the Science Center in Detroit.
- We had a fantastic time! Kids loved it! Thanks so much!

   - Return %: 0

2. Would you do this again?
   - # of Ratings: 14
   - Total Surveys Turned In: 0
   - Return %: 0

3. What was your favorite exhibit at the Kingman Museum?
   - Planetarium (8)
   - Carnivorous Exhibit (3)
   - Star Exhibit
   - Animals
   - Rocks

4. What did you enjoy most about the Zoo?
   - Animals
   - Wild African Peacocks
   - The African Exhibit (2)
   - The animals, view, and the rides.
   - Giraffes (2)
   - Looking at Africa and the train.
   - Everything
   - Free roam of animals
   - I enjoyed seeing the animals in a big area instead of being confined.
   - Spending time with my family and the giraffes.
   - Seeing the animals and my children feeding the giraffes.
   - Feeding the giraffes.

5. What motivated you to attend this Museum and Zoo today?
   - I have been wanting to go for a while.
   - Spend time with family.
   - I love the Students w/Children trips!
   - The fact that we were coming.
   - A fun filled day with my family.
   - To be with my daughter.
   - Lack of family activities in Big Rapids.
   - During school break and did not have to study.
   - I love and enjoy the experience of learning from museums and zoos!
   - Learning with my family.
Mom

Wife

We have never been to Binder Park Zoo. I thought it would be a good family event.

2 children and great people.

---

3. What was your favorite exhibit at the Spirit of the Woods Museum or Music House Museum?
   - The Owls
   - Big Bear
   - The Animals
   - At the music museum, loved the organs.
   - Large White Organ
   - Pipe Organ
   - Organs
   - The Silent Movie

---

4. What did you enjoy most about the Spirit of the Woods Museum or the Music House Museum?
   - Great customer service!
   - All the many stuff animals!
   - The Shoes!
   - That you could feel the furs. The music boxes.
   - All the old time juke boxes.
   - Movie
   - The Music
   - The History

---

5. What motivated you to attend the Spirit of the Woods Museum or Music House Museum today?
   - The kids wanted to go.
   - My daughter.
   - Something new and family time.
   - To do something with my daughter. To attend museums.
   - Part of the trip, but we loved it!
   - Trip with my family.
   - Family time
   - Love of music

---

**Comments and/or Suggestions**

Thank you very much! (2)
