A G R E E M E N T

THIS AGREEMENT, made and entered into on August 17, 2017, by and between FERRIS STATE UNIVERSITY, party of the first part (hereinafter referred to as the "University") and Unit II, supervisory Ferris State University Public Safety Officers, affiliated with the Police Officers Labor Council, party of the second part (hereinafter referred to as the "Union").

Article 1. - PURPOSE AND INTENT

The general purpose of this Agreement is to set forth the agreed upon terms and conditions of employment.

Article 2. - RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Acts of 1947, as amended, the University does hereby recognize Police Officers Labor Council as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement, for the following unit: All full-time Sergeants and Lieutenants of the Ferris State University Public Safety Officers.

Article 3. - WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the University and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. There are no verbal or written understandings or agreements, or past practices which are binding on the University other than the written agreements enumerated or referred to in this Agreement. No further agreement shall be binding on the University until it has been put in writing and signed by both the University and the Union.

Article 4. - AID TO OTHER ORGANIZATIONS

The University shall not aid, promote or finance any labor group or organization which purports to undermine this Union in its legitimate collective bargaining activities.

Article 5. - UNION DUES DEDUCTIONS

Section 1.

Employees covered by this collective bargaining agreement may authorize the University, by executing the proper form as provided by the University, to make a pro-rated automatic payroll deduction on alternate pay periods for union dues. The University will have no obligation to deduct or remit the dues payable for the amount of any bargaining unit member whose withholding authorization reaches the Payroll Office after the tenth (10th) day of the month. The Union will indemnify the University against all liability the University may incur by reason of any dues deduction or remittance pursuant to this paragraph.

Article 6. - STEWARDS

Section 1.

Union employees shall elect a Steward to represent them. Union employees may also elect an alternate Steward, who is a regular employee, to represent them in the absence of the Steward.

Section 2.

The Steward or the alternate (in the Steward's absence) during regular working hours, without loss of time or pay, in accordance with the terms of this article, may investigate and present grievances to the University, upon having received permission from the Director of Public Safety or his designee to do so. Whenever, due to pressing job duties, such permission is not granted within twenty-four (24) hours, the time of filing a first-step grievance will be extended.

Section 3.

The Union will furnish the University with the names of its authorized representatives who are employed within the unit and such changes as may occur from time to time in such personnel so that the University may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing.

Section 4.

The Union Steward or the alternate may be entitled to a total of two (2) days leave without pay, per year for the designated purpose of attending official state, or regional or local union conferences, seminars or business conventions. The leave will be granted, provided said leave is requested in writing, in advance, and such leave does not create unreasonable scheduling or workload difficulties.

Article 7. - BULLETIN BOARDS

The University agrees to provide bulletin board space which may be used by the Union for posting notice of the following types:

- A. Notices of recreational and social events.
- B. Notices of election.
- C. Notices of results of elections.
- D. Notices of meetings.

Article 8. - SPECIAL CONFERENCES

Special conferences on important matters may be arranged between the Union and the University or their designated representatives, upon the request of either party, providing the other party agrees to such conferences.

Article 9. - ACCESS TO PERSONNEL RECORDS

No more than one (1) official personnel record may be maintained for any member of the bargaining unit, and such record will be accorded the normal privacy due such personal information. Any member of the bargaining unit may examine their post-employment personnel record. Bargaining unit members shall have access to their record during normal business hours and may elect to be accompanied by a representative of the Union when the bargaining unit member examines it. Upon request and at the bargaining unit member's own cost, the bargaining unit member will be provided a copy of such post-employment records as requested.

No material originating after initial employment will be placed in the employee's personnel file unless said employee is furnished with a copy of such material. The bargaining unit member may submit a written statement regarding any material and the same shall be attached to the file copy of the material in question. An employee's signature on evaluative or disciplinary documents does not necessarily imply agreement.

Article 10. - SEPARABILITY, PRECEDENCE AND PAST PRACTICES

Section 1.

If any decision of any Michigan or United States court or administrative body of competent jurisdiction affects any provision of this Agreement, each such provision will be deemed amended to the extent necessary to comply with such decisions, but otherwise this Agreement will not be affected. In the event that any article or section is held invalid, or enforcement of, or compliance with which has been restrained, as above set forth, the parties affected thereby shall enter into collective bargaining negotiations upon the request of the Union for such articles or sections during the period of invalidity or restraint for the purpose of arriving at mutually satisfactory replacement.

Section 2.

This Agreement shall supersede any rules, regulations or practices of the University which shall be contrary or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual contracts heretofore in effect.

Article 11. - NO STRIKE

The Union, its officers, agents, affiliates, members and employees agree that so long as this Agreement is in effect, there shall be no strikes, sit-downs, slow-downs, stoppages of work, concerted effort not to meet responsibilities, boycott, or any act that interferes with the University's operation. Any violation of the foregoing may be made a subject of disciplinary action including discharge or suspension, and this provision shall not be by way of limitation on the University's right to any remedy under law for such violation.

Article 12. - GRIEVANCES

Definition - Grievance: A grievance is an alleged violation of a specific article or section of this Agreement.

Definition - Day: Only for the purpose of the grievance procedure, a day shall mean calendar days (excluding holiday days as defined by this Agreement) and shall not include the day on which the grievance is presented or appealed or is returned by the University.

Definition - Probationary Employee: The following procedure applies to and is available to all non-probationary employees covered by this Agreement. Probationary employees may be disciplined or discharged without recourse to the grievance procedure.

Flow

- A. The purpose of this article is to provide a prompt and efficient procedure for investigation and resolution of grievances. The review process hereinafter set, therefore, shall be the sole method for the resolution of grievances. All time limits will be adhered to, except where changed by mutual agreement in extenuating circumstances. It is the intention of the parties to expedite the handling of grievances. To this end, an employee will first discuss the grievance with the Assistant Director or designee in an attempt to amicably resolve the matter.

- B. A grievance not advanced to the next higher level within the time limit provided shall be deemed permanently withdrawn and as having been settled on the basis of the answer most recently given it. Lack of timely response by the University at any stage will serve to advance the grievance to the next higher step if the grievant so desires and signifies the desire by written notice to this purpose; but in no event does such lack of response give rise to further grievances. A grievance may be initiated by one or more bargaining unit members and must be signed by all grievants, and the conclusion of the grievance shall be applicable to all grievants.

The Grievance Procedure:

Step 1: Within ten (10) days of the time a grievance might reasonably be known to exist, the aggrieved member of the bargaining unit shall first discuss the alleged violation of the agreement with the Assistant Director or designee, either with or without a representative of the Union.

The Assistant Director or designee shall give a verbal response to the employee within five (5) days of the Step 1 discussion. Resolutions at this step between the Assistant Director or designee and member are without precedent.

Step 2: If the grievance is not resolved as a result of the Step 1 discussion, within ten (10) days of the verbal response at Step 1, the aggrieved member of the bargaining unit may present, in writing, a signed statement setting forth the specific acts that constitute the basis for the grievance and identify the specific language of the Contract that is claimed to have been violated by those specific acts. A meeting shall be held to discuss the grievance between the Director of Public Safety and

the aggrieved member. Up to two additional persons for each party may attend the meeting.

The Director of Public Safety shall communicate a decision in writing to the grievant as promptly as possible, but not later than ten (10) days after the Step 2 meeting.

Any settlement, withdrawal, or other disposition of a grievance at this step or during the initial discussion with the Assistant Director or designee shall not constitute a binding precedent in the disposition of similar grievances unless otherwise agreed in writing by the parties..

Step 3: If the Union is not satisfied with the disposition of the grievance by the Director of Public Safety, the grievance may be submitted to arbitration within ten (10) days after receiving the University's Step 2 answer, by notifying the Office of the General Counsel that an appeal to arbitration will be made.

Upon proper notification to the University by the Union of its submission of a grievance to arbitration, the University and the Association will attempt to select an arbitrator within two (2) weeks. If the parties do not select an arbitrator within the two (2) week period, the Union will submit a demand for arbitration to the American Arbitration Association, with a copy being sent to the Office of the General Counsel. The selection of the arbitrator will then be made according to the procedures established by the American Arbitration Association.

The Arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The decision of the Arbitrator, within the scope of his/her authority, shall be binding upon the parties.

The cost of arbitration shall be borne equally by both parties. Expenses for witnesses, however, shall be borne by the party who calls them.

Pre-arbitration step: Upon request of either party, a pre-arbitration meeting shall be scheduled to discuss possible resolutions of the grievance and/or to discuss potential exhibits to be submitted during the hearing. Each party may have up to three persons attend such meeting.

Article 13. - ADMINISTRATIVE RESPONSIBILITIES

Section 1.

It is the responsibility of the University to fulfill the role and mission of the University stated in the Ferris State University Role Statement. In fulfilling its role and mission:

- A. The University, on its own behalf, hereby retains and reserves unto itself, without limitation except as herein provided, all power, right, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:
 - 1. To the management and control of the University and all its properties and facilities;

2. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their employment, or their dismissal for just cause, or discipline, or demotion; and to promote and transfer all such employees;
 3. To determine the duties, responsibilities and assignments of all employees, and the terms and conditions of employment.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the University, the adoption of reasonable policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

Section 2. - Professional Conduct

- A. The University may adopt reasonable rules and regulations not in conflict with the terms of this Agreement governing conduct of Public Safety Officers.
- B. The University and the Union recognize a mutual responsibility for promoting professional conduct that encourages quality in the performance of duty. Breaches of professional conduct are subject to disciplinary procedure. Such breaches include, but are not limited to, abuses of sick leave and other leaves, tardiness, willful deficiencies in professional performance, violation of reasonable University policies, regulations and administrative directions not inconsistent with the terms of this Agreement, and violation of the terms of this Agreement. Alleged breaches of professional conduct shall be reported promptly to the offending Public Safety Officer.
- C. A disciplined, or discharged, or suspended non-probationary employee will be allowed to discuss the discipline, discharge, or suspension with the Steward, and the University will make available an area where they may do so before being required to leave the property of the University and may utilize the grievance procedure for alleged violation of the terms of this Agreement. Upon request, the University will discuss the discharge or suspension with the employee and the Steward.
- D. All disciplinary records shall be permanently placed in the employee's personnel file; however, any record of discipline that is more than three (3) years old shall not be taken into account on a current charge unless the employee had received another related disciplinary action within three (3) years of the date of the original discipline.

Article 14. - SENIORITY

A. Representation of Employees

1. The Union shall represent all full-time Lieutenants and Sergeants of the Ferris State University Public Safety Officers.
2. Probationary Status

- a. All promotional appointments shall be probationary and subject to a probationary period of six (6) months. At any time during the probationary period, FSU may demote an employee whose performance does not meet the required work standards. An employee on probation in a promotional appointment shall have the right to return to his/her previous appointment upon demotion, based upon seniority attained in Unit I as set out below under Section 14.B.1. The resulting bumped employees, from Unit I, shall not have cause to grieve such employment layoff in accordance with this Agreement. The Union therefore agrees not to advance any grievance of a Unit I employee bumped from a position with FSU, when such is the result of the activation of this provision.
- b. All original appointments to positions in the bargaining unit shall be probationary and subject to a probationary period of twelve (12) months. At any time during the probationary period the University may discharge the probationary employee. Any employee so discharged during the probationary period shall have no recourse to the grievance procedure.

B. Seniority and Seniority Lists

1. Accrual/Retention

- a. Seniority shall be given at the date of hire and shall continue to accrue while in the unit.
 - b. An employee hired on or after October 1, 1987 shall retain all seniority accrued while in the bargaining unit but shall not accrue seniority while outside the bargaining unit.
 - c. Seniority, for those employees hired prior to October 1, 1987, shall be based upon the length of continuous service, from date of hire, with the FSU Department of Public Safety.
2. Seniority shall be applied in accordance with applicable state and federal laws prohibiting discrimination.
 3. The seniority list on the date this Agreement takes effect will show the names, job titles, recognized seniority in the bargaining unit, and the date of rank of all applicable employees of the bargaining unit entitled to seniority.
 4. The University will keep the seniority list up-to-date at all times and, when changes occur, a list will be made available upon request by the Union.

C. Loss of Seniority

An employee shall lose his or her seniority and be terminated for the following reasons:

1. He/she quits, retires, or is terminated.
2. He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.

3. He/she is absent for three (3) consecutive working days without notifying the University. After such absence, the University will send written notification to the employee at his/her last known address that he/she has been terminated. The University may, in its sole discretion, excuse such absence, if due to extenuating circumstances, such notice was not provided.
4. If he/she does not return to work when recalled from layoff as set forth in the recall procedure.
5. Failure to return from sick leaves of absence will be treated the same as three (3) above.

D. Seniority of Steward

The Steward (and his/her alternate) shall be selected from the permanent employees and shall have completed a probationary period in their current position, and shall have "Super Seniority." (Only in the event of a layoff.)

E. Layoffs

1. Permanent Employees

The University may lay off a permanent employee by reason of shortage of work or funds.

2. Order of Layoff

Layoff of employees shall be made first by inverse order of their seniority in the bargaining unit. Part-time bargaining unit employees shall be laid off first. Supervisory employees, not in this bargaining unit, but having seniority, may be assigned to the bargaining unit and displace less senior members thereof.

3. Notice of Layoff

The University shall give written notice to the employees and Union of any proposed layoff. Such notice shall state the reasons therefore, and shall be submitted at least one (1) week before the effective date thereof.

F. Recall Procedure

When the working force is increased within twelve (12) months of a layoff, employees will be recalled in inverse order of layoff. Notice of recall shall be sent to the employee at the last known address by registered mail or certified mail. If an employee fails to report for work within ten (10) days from date of mailing of notice of recall, he/she shall have no further right to re-employment.

Article 15. - MILITARY LEAVE

Any bargaining unit member, who has been or may be after this date, called into service with the armed forces of the United States, shall be accorded "leave of absence without pay or compensation" for such period of service and at his/her election for six (6) months thereafter, and

shall be restored to the position he/she left or a comparable one for at least as many months as there shall have been remaining on his/her employment agreement at the time of his/her entry into active service.

When a bargaining unit member is involuntarily called for military duty, the University will compensate that person for the difference between contractual salary and the military pay and allowances for a period up to ninety (90) days. The University will continue its normal contribution to insurance and other fringe benefits during this period.

Article 16. - SICK LEAVE - ACCRUAL AND USAGE

Section 1. - Sick Leave

- A. Time taken off from an employee's duties for illness constitutes sick leave. Employees shall not lose seniority as a result of being absent due to illness or injury. Sick leave shall not be used for any reason other than sick leave except as provided in the University's FMLA policy, available from Human Resources, or as indicated in the next paragraph. The employee may use sick time privileges in the instance of a health condition (even if not covered under FMLA) of a member of the employee's immediate family (spouse, parent or child) to a maximum of three (3) days per incident. Sick time of up to twenty-four (24) hours may also be granted for medical-related incidents/appointments (even if not covered by FMLA) for the employee, spouse and children each fiscal year.
- B. Sick leave is herein defined as any regularly scheduled working day, or part thereof, lost due to illness, medical examination or treatment, dental examination or treatment, or optical examination or treatment. The University has the right to require substantiation of the reason for this absence in cases of suspected abuse of the sick leave program.

1. FOR EMPLOYEES HIRED PRIOR TO JULY 1, 2001:

4.0 hours per bi-weekly pay period accrues to each member of the bargaining unit as sick leave. The maximum sick leave that can accrue is sixteen hundred (1600) working hours. Members will have an irrevocable option during 2001 open enrollment for "Ferris-Flex" to convert to the new Short Term Disability ("STD") Plan benefit. Those converting will be covered under paragraph B2 (below). In the event conversion options are offered in future open enrollment periods, such option will be extended to members.

2. FOR EMPLOYEES HIRED ON OR AFTER JULY 1, 2001:

104 (One-Hundred four) hours of sick leave will be established for each employee at the beginning of each Short Term Disability ("STD") Plan year (July 1). The sick leave hours are pro-rated the first year of employment for persons hired after July 1. There is no "carry-over" of hours from prior STD plan years. Sick leave hours are used in conjunction with the STD Plan outlined in Article 20, Section 9.

- C. A bargaining unit member granted sick leave of absence upon a verbal request, or one made on their behalf by another, shall at the first reasonable opportunity under the circumstances presented, support such request with an application in writing together with such evidence of need for leave as the University may request.
- D. The University may require a doctor's certificate or other satisfactory evidence that bargaining unit members have fully recovered and are able to perform all the elements of their job prior to returning such employees to work, or to determine if such employees continue to be ill or disabled for the purpose of continuing a leave of absence, and the University, when it requests a doctor's opinion, shall pay for the doctor's fee.

The Payroll Office shall maintain a sick leave record on all bargaining unit members. The record shall be credited with earned sick leave credit each payroll period and debited periodically as sick leave benefits are used.

- E. A medical leave of absence may extend up to 12 months or the length of the employee's seniority, whichever is less. An employee not returning to work within that time frame will be considered as terminated from the University.
- F. An employee who has accrued sick time will be on a paid medical leave of absence. If the employee has no sick time or has used up all accrued sick time, he/she will be on an unpaid medical leave of absence.

Article 17. - SICK LEAVE - SEPARATION

Section 1.

Bargaining unit members, who separate from the University's service because of permanent disability shall be paid for all accumulated sick leave.

Such compensation will be made at their current rate of pay. In the event of death, fifty percent (50%) of the cash value of unused sick leave bank, computed at the bargaining unit member's current rate of pay, will be paid to their estate or beneficiaries.

Section 2.

A bargaining unit member, who during the term of this Agreement separates from the University's service due to age and service requirements under the Michigan Public School Employees' Retirement Act shall be paid fifty percent (50%) of his/her accumulated sick leave up to a maximum of eight hundred (800) hours. Such compensation will be made at his/her rate of pay at the time of retirement.

Section 3.

Employees will not be compensated for unused sick leave upon resignation or termination of their employment with the University.

Article 18. - SCHEDULES AND WORK HOURS

Section 1. - Hours of Service

A. Hours of Work

1. The normal schedule for employees covered by the collective bargaining agreement shall include seven (7) workdays in a by-weekly pay period. Six (6) days will be twelve (12) hour shifts and one (1) day will be an eight (8) hour shift.
2. Employees on special assignment may be scheduled by the Employer, or by the applicable partner agency, to work other than the normal schedule. Examples include, but are not limited to: drug team, community policing, detective.
3. Employees assigned to twelve (12) hour shifts shall normally be granted seven (7) pass days in a bi-weekly pay period.

B. Overtime

1. Eligibility

- A. Employees will be paid for all hours worked.
- B. All authorized overtime worked by employees shall be indicated on their appropriate officer's daily report and initialed by a supervisor who has authority regarding the overtime.
- C. Court assignments, other than on regularly assigned duty periods, and on pass and vacation days, shall be considered overtime.

2. Basic

- A. Overtime at one and one-half of the regular pay rate shall be paid to eligible employees for work in excess of eighty (80) hours in a bi-weekly work period.
- B. A normal day for officers is defined as twelve (12) hours worked in a twenty-four (24) hour period (starting time of shift is beginning of the twenty-four (24) hour cycle).

3. There shall be no pyramiding of overtime.

4. Overtime Scheduling

The procedure outlined in this Section will be used when overtime is available to qualified officers after a 28-day schedule has been posted. This section does not preclude the department from using the "call-in" language outlined in this Article, nor does it preclude the department from offering overtime to officers already working a shift when the overtime to be worked is contiguous to their shift and is expected to be two (2) or less hours in duration for a specific period of overtime and subject to provisions for "extra hours" in Section 2 below. For example, an

employee may be called in early but may also work two (2) hours overtime at the end of his/her shift. The Director or designee reserves the right to hold over the on-duty officer if the overtime assignment is based upon the need for the officer to finish a current work assignment.

- A. When the Department Director, or his/her designee responsible for overtime, is given 96 hours or less notice of the need for overtime, the overtime shall be offered first to the most senior (by date of hire), qualified member of the union (i.e., both Unit 1 and Unit 2 combined for this purpose). If he/she refuses or is not available for the overtime, then it shall be offered to the next most senior qualified member of the union and so on down the seniority list until the overtime is taken (accepted). In the event the overtime is not taken (accepted) by a qualified member, the least senior qualified member of the union on the seniority list will be assigned to work the hours.
 - B. When the Department Director, or his/her designee responsible for overtime, is given more than 96 hours' notice of the need for overtime, the overtime shall be distributed among the employees of the work unit on an equal-share basis (as long as they are qualified to perform the work). An employee who declines to work the overtime shall be charged with overtime so that it is counted the same as having worked in order to determine his/her "equal share". The overtime equalization list shall be kept current and will be made available to the union upon request.
5. In the event an officer is scheduled for overtime and shows up to work as scheduled and is then told that the overtime has been cancelled, that officer will be paid at the overtime rate for the actual hours worked or one (1) hour whichever is greater. This does not preclude the department from canceling the overtime in advance of the schedule which will be without obligation to pay overtime.

C. Shift Trading

Employees may trade shifts and days off if mutually agreed and written permission is received from the Director or his/her designee. Traded days and shifts must be scheduled within the same pay period and the trade, in and of itself, must not create overtime.

D. Compensatory Time

- 1. When supervisors are called in/scheduled to work more than their normal work schedule, the Director/Assistant Director or his/her designee and employee shall determine in advance, unless there is an emergency situation, whether overtime pay or compensatory time is to be granted.
- 2. If the Director/Assistant Director and employee agree that compensatory time is to be granted in lieu of overtime pay, then compensatory time shall be calculated at time and one half.
- 3. Compensatory time is to be taken at a time mutually agreeable to the Director/Assistant Director or his/her designee and the employee. Employees will be granted compensatory time on a first come, first serve basis, if scheduling permits.

4. Employees may accumulate up to one-hundred twenty (120) hours of compensatory time in a contract year. Accumulated compensatory time must be totally used within the contract year in which it is earned. Any compensatory time not used within the contract year will be paid off to the employee at time and one half pay.
5. Employees who terminate their service with the University will be paid for accumulated compensatory time, not to exceed one-hundred twenty (120), at their then current rate of pay, except shutdown hours received in December, unless the criteria for payment has been met per Article 19 titled Holidays.
6. Compensatory time may be used in increments of one hour or more and may be used, if approved by the Director/Assistant Director or his/her designee, in conjunction with paid vacation or personal day(s). However, no more than twenty (20) hours may be used at one time in conjunction with vacation periods, unless an exception is approved by the Director/Assistant Director.
7. The accrual of compensatory time will be reported on the bi-weekly time sheet and use of compensatory time will be reported on the Ferris State University Request for Excused Absence form.

Section 2. - Work Schedule

The work schedule or shift hours of the employees shall be for twenty-eight (28) days in duration and shall be posted at least twenty-eight (28) calendar days in advance of the beginning of the schedule. The Employer shall determine how many employees, if any, will be assigned to each shift.

- A. Employees shall be allowed to bid for preferred shifts in accordance with seniority. Employees shall bid for shifts by June 15th, November 15th and March 15th in advance of the beginning of the semester. Any changes in schedule are in effect for the full twenty-eight (28) day schedule. An officer's regularly assigned shift hours will not be changed due to an athletic/special event.

Employees assigned to work the first shift (days) of the twelve (12) hour workday will begin at 6:00 AM and end the shift at 6:00 PM. Employees assigned to work the second shift (nights) of the twelve (12) hour work day will begin at 6:00 PM and end the shift at 6:00 AM.

At the beginning of the first shift rotation after May commencement, the University will schedule one officer on the day shift during the weekend time period. This will be in effect for the next three (3) shift rotations (e.g. three consecutive, twenty-eight calendar day work schedules). The University will endeavor to implement this schedule each summer as long as it is deemed feasible by the University.

Work schedules may be changed for the following reasons:

1. Scheduling problems brought about because of employee absence due to sick leave, personal leave, workers' compensation or disciplinary suspension, provided that at least twenty-four (24) hours' notice of such shift change is given to the

affected employee. In the event such twenty-four (24) hours' notice is not given, said employee shall be paid time and one-half for all hours worked during said call-in.

2. In case of disasters (man-made or natural) and/or emergencies (including military call back) requiring total or partial mobilization of manpower for the protection of public health, welfare, and safety.
3. Court time as the result of a subpoena served, if not less than two (2) weeks' notice is provided.
4. Call-in or court time will be for not less than three (3) hours at time and one-half. In the event the sole purpose of the call-in is for an officer to return to work to finish work that should have been completed prior to the officer leaving work, then the pay will be for actual hours worked on the call-in. Call-in hours worked contiguous with a regular work shift will be for actual hours worked.
5. Reduction in work force or any other unforeseen circumstance that would impede the efficient operation of the Public Safety Department.
6. Training (i.e., change the work schedule of only the officer(s) scheduled for training).
7. Special assignments including, but not limited to, teams, task forces, investigations, etc., (temporary or permanent).

In the event it becomes necessary to change the work schedule pursuant to the reasons contained above, the University retains the right to place its officers back on their originally designated shifts after the occurrence giving rise to that change terminates.

B. Lunch Period

The normal workday for employees engaged in a continuous operation shall usually include a one-half (1/2) hour lunch period except when in an emergency situation. A continuous operation is defined as being assigned to a work situation where nature of work restricts and/or prohibits an employee(s) from observing regularly scheduled lunch periods.

C. Break Periods

Employees will be granted a fifteen (15) minute break period each day, one during the first half of the employee's shift and one during the second half of the employee's shift. Such periods shall be paid at the employee's regular straight-time rate and shall not result in lengthening the workday. Employees are expected to be in a ready to work status during the break period. Break periods are not cumulative and shall not be paid as extra work time in the event an employee is unable to take their break.

D. Detective/Sergeant Position

The Detective/Sergeant will primarily work the day shift, 6:00 a.m. - 4:00 p.m., Monday through Thursday. However, the Detective/Sergeant can be assigned to work nights and/or

special events. The Director or designee may adjust the schedule of the Detective/Sergeant as necessary.

Section 3. - Staffing Levels

Between the hours of 6:00 p.m. and 6:00 a.m., no less than two (2) sworn officers will be scheduled to work. Exceptions shall be when more than fifty percent (50%) of the residence halls are closed, except as described below.

For purposes of this Section 3 only, minimum staffing levels shall be in effect commencing at 5:00 p.m. on:

- first official move-in day for students (excluding student-athletes) prior to the beginning of the fall semester,
- two evenings prior to the beginning of the spring semester, and
- the evening preceding the start of morning classes when returning from Thanksgiving and spring break.

Section 4. - Time Changes

When daylight savings time occurs, the following procedure will be used:

1. In the fall, when the clock moves back one hour, if officers work their full (regular) number of shift hours and work the extra hour due to the clock change, they will be paid an extra hour's pay at his/her overtime rate.
2. In the spring, when the clock moves ahead one hour and officers work one less hour they will be compensated for the full (regular) number of hours in their normal shift.

Section 5. - Training and Travel Time

The University and the Union recognize the value of retraining opportunities for employees. The University, in its discretion, will provide opportunities for public safety officers to receive additional training. Employees are required to report to work prior to the training and after the training when the training occurs during their regular shift.

Employees will receive their normal day's wages at the regular day shift rate for the day(s) of training plus the University will pay all travel expenses up to the amount allowable under University policy and applicable laws. (Employees with 10-hour shifts will have 8-hour shifts for 5-day training periods.) In the case of a mandatory single day training session, travel time to and from the training session on the date of the training session, that is over and above the normal scheduled day will be considered as time worked.

At the discretion of the Employer, an employee may volunteer to attend training not mandated by the Employer, in which case, upon approval of the Director or designee, the employee will not lose pay for the day; however, the employee will not be entitled to any additional pay.

During the training day, when an officer is not in uniform in their jurisdiction, or out of their jurisdiction, and not responsible for a law enforcement response beyond what any other off-duty officer would have, they will not be paid during their lunch period. At all times when they are in uniform and in their jurisdiction during a training day, they will be paid for lunch. A uniform will be considered any DPS issued uniform for enforcement, including fatigues, and the bike patrol

uniform. When an officer is scheduled for a training day which was projected to have eight hours of instruction, but due to factors determined by the instructor(s) the training is completed one hour or less earlier than expected, the lunchtime will be considered paid time and the officer(s) attending would have completed their workday and would be authorized to leave.

Article 19. - HOLIDAYS

Section 1. - Holidays

Scheduling

1. Holidays will be observed on the day on which they occur. Employees either work the holiday or receive the holiday off with pay. The start time of an employee's shift will determine the holiday for an employee who works the holiday and for an employee who receives the holiday off. For example, a shift that starts at 9:00 p.m. on July 4 and ends 7:00 a.m. on July 5 is the holiday; a shift that starts at 8:00 a.m. on December 25 and ends 4:00 p.m. the same day is the holiday.
2. Whenever a holiday falls on a scheduled day off in the employee's workweek, the employee will receive an additional day off, with pay, the time to be arranged with a supervisor who is in charge of the work schedule.
3. If a holiday occurs during a period of an employee's absence during which time the employee is using sick and/or annual leave credits, such holiday shall be carried as holiday time.

Section 2. - Designated Holidays

- A. All bargaining unit members will receive the following regularly scheduled holidays:
- | | |
|-----------------------|-----------------------------------|
| 1. New Year's Eve Day | 6. Labor Day |
| 2. New Year's Day | 7. Thanksgiving Day |
| 3. Memorial Day | 8. Day following Thanksgiving Day |
| 4. Easter Sunday | 9. Christmas Eve Day |
| 5. Independence Day | 10. Christmas Day |
- B. Employees required to work on one or more of the above holidays shall receive the regular days' pay and, in addition, pay at the rate of time and one-half of their regular pay rate for hours worked during the holiday.

Section 3. - Shutdowns

- A. It has been the practice of the University to observe a campus-wide shut down between Christmas and New Year's. However, because certain essential services must be continued during this period, including security, if it is necessary that any bargaining unit member is required to work during this period, as identified by the University year to year, they will be afforded equivalent time off by adding the shutdown hours each employee's compensatory time bank for use beginning December 1 of each year. In the event the compensatory time bank exceeds its limit, the excess hours will be paid to the employee at their regular rate of pay. If a member's employment with the University terminates prior to the shutdown period, the employee will forfeit payment of the shutdown hours. In the

event compensation is granted during shutdown days to all other full-time employees not required to work, compensation will also be granted to bargaining unit members not required to work.

Article 20. - INSURANCES

Section 1. - Group Life Insurance

All bargaining unit members receive group term life insurance in the amount of \$50,000. This insurance terminates upon termination of employment with the University. In the event that Ferris State University offers spouse/child(ren) life insurance coverage to employees (plan limits to be determined by the employer), it will extend such plan to bargaining unit members. The cost of extended dependent coverage is to be paid in full by the employee.

Section 2. - Liability Insurance

All bargaining unit members are covered under a \$1,000,000 single incident, \$5,000,000 multiple incident policy against personal liability arising out of their performance of duty for the University.

Section 3. - Health Care Committee

For the life of this Agreement the Employer will offer health, dental and vision plans. To that end, The parties agree to the formation of a health care committee which will be comprised of representatives from: each bargaining unit that desires to participate; representatives from the full-time nonunion employees; and representatives of University administration. The health care committee will monitor the benefit plans and discuss and make recommendations to the offerings such as the number of plans and plan design with the goal of maintaining attractive and sustainable benefit plans to continue to attract and retain quality employees. Meetings will be facilitated by the Vice President for Administration and Finance or his/her designee

In the event legislation is adopted that affects Universities and would result in lower Employer cost and/or higher employee contributions than the amounts agreed upon herein, the amounts in the table and/or the employee contributions will be revised immediately or upon expiration of the collective bargaining agreement, whichever is required by law.

Section 4. - Health Care Plan Overview

Effective July 1, 2017, the health plan options available shall be the same plan options offered to the full-time, non-union employees. After giving consideration to the recommendations of the health care committee, the Employer reserves the right to change, alter or amend any offered health, dental or vision coverage as it deems necessary. The Employer may delete or discontinue any offered health, dental or vision plan that falls below University-wide enrollment of one hundred (100) employees. The Employer will provide the Union advance notice of any such changes, alterations, amendments, deletions or discontinuance.

Section 5. - Maximum University Contribution Cap

The Employer will contribute up to a maximum annual amount toward the health insurance premiums as listed in the table below. The Employee is responsible for paying the balance of the

premiums through payroll deductions. In the event any actual premium falls below the listed maximums, the maximum amount listed shall be revised downward to the appropriate amount

MAXIMUM ANNUAL UNIVERSITY CONTRIBUTION

<u>DATE</u>	<u>AMOUNT</u>	<u>PLAN</u>
Beginning of the pay period after ratification by BOT	\$16,198	Family
	\$13,048	2-person
	\$4,553	Single

For each benefit plan year thereafter, for the term of the contract, the above contribution by the Employer will increase, but in no event exceed, to either the percentage increase to the statutory hard caps (increased as set forth by the Publicly Funded Health Insurance Contribution Act, MCL 15.561, et seq.), or by the actual premium increase, or by three percent (3%), whichever is less.

Section 6. - Medical Reimbursement Plan

Bargaining unit members not electing health insurance for reasons outlined below shall be paid \$64.00 per pay period less applicable taxes and withholdings in their bi-weekly pay checks as applicable.

Members may elect to not take health insurance if:

- (1) The member is personally covered under another health care plan (i.e. spouse's employer), or
- (2) If the member and spouse/other eligible adult are both employees of the University, then one shall elect health insurance; however, the other spouse/other eligible adult shall not be eligible for the medical reimbursement.

Section 7. - Flexible Spending Account

The University will make available to the employees a flexible spending account plan for medical and dependent care.

Section 8. - Dental Insurance

Employees will be covered by the same dental benefit offered to the full-time, non-union employees.

Section 9. - Long Term Disability Insurance

- A. The University shall provide, without cost, to all bargaining unit members, a ninety (90) day elimination period Long Term Disability Insurance Plan by a carrier selected by the University.
 1. Benefits shall begin on the termination of the bargaining unit members' sick leave or 90 days (or as indicated upon their Ferris-Flex Election form), whichever is greater, and continue at 66 2/3% of the bargaining unit member's salary to age 65.
 2. The benefit shall be capped at 66 2/3% of \$5,000 per month in salary.

3. The salary rate, for purposes of computing the LTD payment, shall be computed as of the date the bargaining unit member's services to beginning of the plan year.

Section 10. - Vision Plan

Employees will be covered by the same vision benefit offered to the full-time, non-union employees.

Section 11. - Short Term Disability Plan ("STD")

The University's Short Term Disability Benefit Program, herein called "STD", covers employees who hire on or after July 1, 2001, and employees hired prior to July 1, 2001 who voluntarily converted their sick leave accrual plan to the STD Plan. The STD will provide income protection between the event (sickness or accident) and the commencement of the "Long-Term Disability" ("LTD") Benefit Program, which is outlined in Article 20, Section 7. An outline of the STD benefit program follows:

Benefit Commencement/Eligibility: Employees will be eligible for STD compensation the first day following an accident or eight days following an illness, with a valid physician's certification.

Compensation: A total of 104 sick hours will be established for each employee at the beginning of each plan year, on July 1. The sick hours are pro-rated the first year of employment for persons hired after July 1. There is no carry-over of sick hours from prior STD plan years. Sick hours are paid at 100% of the base salary rate. As employees meet the eligibility requirements for commencement of STD, sick hours will be exhausted before any disability benefit is designated. When an employee is placed on STD, the STD will be paid at a rate of 75% of their base salary rate. STD will continue until the employee returns to work, is no longer covered by a physician's certification, or meets the eligibility period requirement for the commencement of "long-term disability" (90 days from qualifying event with a physician's certification). Mandatory deductions are taken from sick and STD pay. Voluntary deductions can be changed for STD pay, with written notice to the Payroll Dept.

Limitations: As with the Long-Term Disability ("LTD") Benefit Plan, employees collecting the 75% STD pay benefit will not accumulate vacation time.

Employees Converting Old Sick Plan: Employees hired prior to July 1, 2001 will be offered a onetime irrevocable option during the 2001 open enrollment for "Ferris-Flex" to convert to the STD benefit. In the event future conversion options are offered, such option will be offered to members. The terms of such conversion election are as follows:

1. Any balance of sick hours accumulated (but not used) prior to the conversion will be recorded as of that date, will remain in a separate bank, and may be utilized after the annual allowance of the 104 sick hours is exhausted during any plan year.
2. At the end of subsequent plan years in which 104 or less sick hours are used, a new, opening balance of 104 sick hours will again be established, separate from any balances remaining from "non-STD sick leave bank" established prior to the conversion.
3. Payout of the "non-STD sick leave bank" is according to Article 17, Section 1.

Section 12. – Riders and Options

Subject to the policies, rules and regulations set forth by the University’s health plan, employees covered by this Agreement may apply for other available riders and/or options at their own expense.

Article 21. - WORKERS' COMPENSATION

In the event an employee sustains an occupational injury, he/she will be covered by applicable Workers' Compensation laws, and the employee may elect to use his or her accumulated sick/vacation leave to cover the differential between Workers' Compensation and his/her regular salary. Such use shall conform with guidelines established by Human Resources.

Article 22. - VACATIONS

Regular full-time bargaining unit members will receive paid vacation according to the following schedule:

<u>Length of Service</u>	<u>Vacation Period</u>
1 year through 3 years	96 Hours
4 years through 10 years	120 Hours
11 years through 14 years	144 Hours
15 years or more	160 Hours

Sergeants promoted from Unit I will receive 160 paid vacation hours each year.

Section 1.

Bargaining unit members are eligible to take one (1) day of paid vacation for each month of service after six (6) months of continuous employment. Vacations must be totally used in the anniversary year following the year it accrues.

Section 2.

Vacations are taken at a time mutually agreeable to the University and the employee with the need for the services of the employee at the particular time being paramount. Vacation will be worked out as far in advance as possible. When scheduling vacation requests, seniority shall be recognized and be given preference in the initial round of vacation scheduling. Thereafter, the needs of the Department and the individual preferences will be paramount. The University shall notify employees of approval of vacation requests within a reasonable time after such requests are received. If an employee is required by the University to reschedule his or her vacation request or is denied a request for vacation, then the provision of Section 3 shall not be invoked.

Section 3.

Vacation credits are not cumulative from year to year except in most unusual circumstances subject to review and approval by the Vice President for Administration and Finance.

Section 4.

Employees who terminate their services with the University will be paid for accumulated vacation time, in accordance with the state laws of Michigan, not to exceed that authorized for that year at their then current rate of pay.

Article 23. - RETIREMENT

Section 1. - Retirement System Selection

1. **Members:**

Members presently in the Michigan Public School Employees' Retirement System (MPERS) or any other available retirement program provided by the Michigan Public School Employees' Retirement Act (such as MIP) must remain in such system or its successor until retirement. Members presently in the University Tax-Deferred Annuity Plan (TIAA-CREF and Fidelity Investments being the current Fund Sponsors under the Plan) must remain in such system or its successor until retirement.

2. **New Members:**

Unless legally obligated to allow or require enrollment in MPERS, within thirty (30) calendar days of the effective date of employment, a member must elect to participate in a retirement program offered by the University.

If an election is not made within the 30-day period, the member will be enrolled in the plan with a University-designated vendor.

Section 2. - Retirement System Payments

1. Contributions on behalf of members participating in the basic MPERS or the optional state retirement program (MIP), provided under authority of the MPERS, shall be made by the University pursuant to the Michigan Public School Employees' Retirement Act, as amended.
2. The University shall pay into the retirement account of a member participating in the University Tax-Deferred Annuity Plan (TIAA-CREF, Fidelity Investments or other Fund Sponsor) an amount equal to Ten percent (10%) of the member's gross pay per pay period.
3. Members participating in the University Tax-Deferred Annuity Plan (TIAA-CREF, Fidelity Investments or other Fund Sponsor) shall pay Four percent (4%) of his/her earnings into his/her retirement account. Such payment is to be made by salary reduction on a pre-tax basis.

Section 3. - Retirement System Vesting

1. Members participating in the basic MPERS or the optional state retirement program (MIP), provided under authority of the MPERS, shall become vested pursuant to the Michigan Public School Employees' Retirement Act, as amended.

2. Members participating in the University Tax-Deferred Annuity Plan shall be fully vested immediately, subject to the provisions of the Plan, in amounts attributable to the contributions properly made under Article 23, Section 2, paragraph 3.
3. Members participating in the University Tax-Deferred Annuity Plan shall be fully vested, subject to the provisions of the Plan, in amounts attributable to the contributions made under Article 23, Section 2, paragraph 2 according to the following schedule:

◆ After one year of University service:	12.5% vested
◆ After two years of University service:	25.0% vested
◆ After three years of University service:	37.5% vested
◆ After four years of University service:	50.0% vested
◆ After five years of University service:	62.5% vested
◆ After six years of University service:	75.0% vested
◆ After seven years of University service:	87.5% vested
◆ After eight years of University service:	100.0% vested

Section 4. - General

1. The Union will have two (2) representatives on any future retirement committees which may be established by Human Resources.
2. Employees hired after January 1, 1996 will be eligible upon retirement to participate in the University's health insurance program under the provisions of COBRA. The premium cost for COBRA coverage will be the sole responsibility of the employee.
3. Employees who retire under the defined contribution plan whose eligibility for health insurance coverage under COBRA has ended may apply for coverage under a conversion policy offered by a vendor selected by the University.

Section 5. - Implementation

1. Employees hired since January 1, 1996, at their option, may make the employee contribution (up to four (4%) percent) for the period January 1, 1996, through April 15, 1999, in twenty (20) equal installments of no less than ten (\$10) dollars. Such "installment" payments are required to be made in the same tax year, and thus, fewer than twenty (20) payments may be required of employees who elect this option.
2. For employees hired since January 1, 1996, the University will make a retroactive contribution to their retirement account. The amount of the contribution will be equal to ten (10%) percent of an employee's earnings plus earned interest at the annual rate of six (6%) percent.

Article 24. – EQUIPMENT, ACCIDENTS AND REPORTS

Section 1.

Equipment required by the University will be furnished and maintained by the University.

Section 2.

An employee involved in any accident shall immediately report said accident and any physical injury sustained. When required by the University, the employee, before starting his or her next shift, shall make out an accident report, in writing, on forms furnished by the University and shall turn in all available names and addresses of witnesses to any accidents.

Section 3.

If the occasion arises where an employee gives written report on forms in use by the University of a vehicle being in an unsafe working-operating condition and receives no consideration from the University, he or she shall take the matter up with the officers of the Union who will take the matter up with the University.

Article 25. - TUITION AND FEE WAIVER

Section 1. - Fee Waiver

It is the intent of the University to recognize that members of the bargaining unit are encouraged to attend cultural and athletic events at the University and that admission charges, if any, should recognize their unique status.

Section 2. - Tuition Waiver

All bargaining unit members may take the University course offerings and have the regular fees for such courses waived provided that not more than nine (9) credit hours are taken during any semester, not to exceed twenty-four (24) credit hours per calendar year, and provided that such course or courses do not interfere with their regularly assigned duties, and the employee has a satisfactory job performance evaluation, and the course is not offered at times outside the employee's working hours.

All bargaining unit members may transfer their existing nine (9) credit hour tuition benefit to an eligible spouse and/or dependent child as defined in the applicable Human Resources Policy and Procedure. This program applies to undergraduate tuition only: registration and other incidental fees which may be charged shall be borne by the spouse and/or dependent child.

Because of the addition of Kendall College of Art and Design (in January 2001) and the University wanting to offer the Kendall courses to FSU employees, we must determine the monetary value of a course credit at FSU so the benefit value, in whole or in part, is available to the employees for Kendall courses. This is because the benefit set out in course credits does not directly apply to Kendall course credits. In the event an employee takes courses at both FSU and FSU-Kendall within the same semester, or takes all FSU-Kendall courses, a method to determine the value of the benefit is necessary. The value is \$1,620 (9 credits x \$180 per credit, the current undergraduate rate). It is not the intent to provide employees with a tuition waiver benefit of a maximum number of course credits in addition to \$1,620 each semester. For eligible FSU employees (bargaining and non-bargaining), the tuition waiver benefit that pays for 30% of the semester's tuition for a family does not apply to FSU-Kendall courses.

FSU employees covered by the tuition waiver benefit specifying number of course credits, as described in the paragraphs above, who take FSU and FSU-Kendall courses within the same

semester, shall have the tuition credit in the form of number of credits applied to FSU courses first with any remaining credits converted to and valued at \$180.00 per credit to be applied to FSU-Kendall courses.

Employees and/or their spouse or dependents may not displace other students in a course.

Article 26. - BEREAVEMENT LEAVE

A bargaining unit member may be granted up to four (4) consecutive business days of paid leave to attend funeral services in the event of the death of a member of the immediate family. Immediate family for purposes of this Article shall be defined as current spouse, mother, father, child, son-in-law, daughter-in-law, stepchild, stepparent (current parent of spouse), sister, brother, grandchild, grandparent or parent of spouse. If the funeral is to take place more than 300 miles from the employee's residence, an additional day may be granted for travel time. One (1) day paid leave may be granted to attend the funeral of an aunt, uncle, niece, nephew, sister-in-law, brother-in-law, or any person with whom the employee is presently making his/her home.

Article 27. - PERSONAL LEAVE

An employee with at least one (1) year seniority at the time of the effective date of this contract, and annually thereafter each July 1, may have two (2) days' personal leave; one (1) chargeable to sick leave and one (1) not chargeable. Employees must apply for personal leave at least two (2) working days before such leave is desired, except in cases of emergency. Personal leave days are not cumulative from year to year.

Article 29. - LONGEVITY PAY

Bargaining unit members hired on or before September 30, 2004 who have completed four (4) years of continuous service and are beginning their fifth (5th) year with the University, will receive longevity payments based on their current base salary and the chart below. Effective September 30, 2007 and beyond, longevity payments will be based on the first \$36,725.00 of the employee's current base salary. (Note: this amount represents the approximate percent difference in current wages between patrol and supervisor units.) Patrol unit members who receive longevity

in that unit and who are promoted to the supervisory unit will receive longevity based on the supervisory cap of \$36,725.00.

Completed 4 years, beginning their 5 th year:	2.5%
Completed 9 years, beginning their 10 th year:	3.5%
Completed 14 years, beginning their 15 th year:	4.5%

Thereafter, bargaining unit members will receive such payments annually on the pay following their anniversary date.

Article 30 - DISTRIBUTION OF AGREEMENT

The University agrees to make available to each bargaining unit member a copy of this Agreement. The cost of printing this Agreement shall be shared equally by both parties.
