QUESTIONNAIRE FOR STUDENTS
WITH PSYCHIATRIC/PSYCHOLOGICAL DISORDERS
(Includes Mood Disorders, Anxiety Disorders, Psychotic Disorders and Other Disorders Identified in the DSM-IV TR accepted as a disability.)

In an effort to identify how your Psychiatric/Psychological Disorder diagnosis is currently and uniquely impacting you, we ask that you fill out the following questionnaire. Documentation of your disability from a licensed professional, as stated in the Summary of Disability Documentation guidelines, is the primary source of information used for establishing your eligibility for disability services. This questionnaire will help Educational Counseling and Disabilities Services gather additional information, from a personal perspective, about how you see your diagnosis impacting your academic and personal life.

Please note: The information we are gathering is for the purpose of learning how your diagnosis uniquely impacts you; however, the primary role of Educational Counseling and Disabilities Services is to provide academic accommodations based on the manifestations and academic implications of the diagnosis. Information gathered within the listed categories does not necessarily mean that accommodations will be provided for those areas (transportation, spatial issues, social issues, etc).

Please have a parent, spouse, counselor or someone who knows you well review this with you after filling it out. Please provide as much information as possible. After completion, mail or fax to:

Ferris State University
Educational Counseling and Disabilities Services
901 S. State Street, Starr 313
Big Rapids, Michigan 49307
Phone (231) 591-3057 Fax (231) 591-3939
E-mail: ecds@ferris.edu

Upon receipt, Disabilities Services will contact you to schedule a one hour appointment to:

◦ Review your documentation,
◦ Explain the role of Disabilities Services,
◦ Explain what Disabilities Services can and cannot do as an office of disability service,
◦ Discuss other aspects of the educational experience you may expect to encounter as a student at Ferris State University.
