ADMISSION POLICY:
First year enrollment is limited to 50 students. The following qualifiers must be met for the student to apply to the program:

• Required courses for admission to program include:
  o A grade of a B- or higher in both MATH 115 (or Math ACT sub score of 24 or higher) and BIOL 109
  o A grade of C- or higher in English 150
  o A grade of C or higher in MRIS 102 (or demonstrate competency)
  o A student must maintain a college GPA of 2.5.

• Applicants will be considered ineligible for the program with two unsuccessful attempts (including a “W”) in ENG 150, MATH 115, MRIS 102, and BIOL 109 (see above).

• Admission to the program is determined by qualification date (completion of the course qualifiers listed above) and priority date (application date to the pre-program).

• For more information on admission to the Radiography program visit: [http://ferris.edu/HTMLS/colleges/alliedhe/Admission-to-the-Clinical-Programs.htm](http://ferris.edu/HTMLS/colleges/alliedhe/Admission-to-the-Clinical-Programs.htm)

PROGRESSION POLICY:

• A grade of “C” or higher is required for all Radiography program requirements.

• Any student that receives less than a “C” in one radiography course must stop the radiography program sequence. They may return to repeat the course the next time it is offered (if a seat is available in the program).
  o A student receiving a grade of less than a “C” (including a “W”) in any two radiography courses (or two unsuccessful attempts in the same RADI course) will be dismissed from the program.

Any student with a conviction record is advised to contact the American Registry of Radiologic Technologist at 651-687-0048 or www.arrt.org in regards to his/her ability to take the registry upon completion of the program.

Students may need to relocate for clinical internship during the second year of the program.

Students may need to work weekends and afternoon shifts during the second year of internship. Internship is 40 hours a week for three semesters. Internship hours are unpaid.

All general education requirements must be completed before internship. Any student not completing all general education requirements will not be allowed to enter internship.
