EXPERIENCED MENTOR

An experienced mentor is a person who has knowledge of the College of Education and Human Services as well as Ferris State University as evidenced by gaining tenure. The person qualifying as an experienced mentor would have demonstrated an understanding of professional responsibilities, including service and scholarship, and has a history of high quality teaching and advising. A qualified, experienced mentor would have evidence of successful mentoring either at the post-secondary level or at other venues including K-12 schools and/or service agencies.
