Graduation Clearances Scheduling Of

It is very important to complete graduation clearances well before the graduation date. The following schedule should be followed:

- Education Students 1 year prior to student teaching
- Television Production and Recreation Management Students 2 semesters prior to internship
- Criminal Justice Students 1 semester prior to completion of degree

If the Student Academic Affairs Office does not receive the grad card and grad clearance form with adequate time to process the information, the following ramifications may occur:

- Graduation information not sent to student
- Name and distinctions not included in the FSU Commencement Book
- Regalia and honor cords not available
- Tickets limited
