

# DCCL Summer 2025 Symposium

## Call for Proposals

The 2025 DCCL Symposium will be held on **June 11 & 12, 2025** in **Grand Rapids, MI**

**What?** We need you and your cohort buddies to participate!

**How?** Lead or facilitate a presentation or conversation — for anywhere from 30 to 90 minutes. Individual presentations, panel discussions... whatever!

### Suggested Topics:

- Artificial Intelligence (Classroom & Campus Initiatives)
- Diversity & Inclusion (Campus Initiatives)
- Student Success Initiatives
- Personal/Professional Development Strategies for maintaining health & happiness
- Presentations done at National, State or Regional conferences (any topic area)

This is an opportunity to share, expand understanding, and show off the great things that are happening at your institution with our DCCL network. Sessions can be individual or group presentations or can be facilitated panel discussions.

Be creative! Let's make this an interactive and engaging experience!

### What we need from you:

- Session Title
- Topic area (from the list above)
- Presenters' / Facilitators' names
- Estimated time for the session (be sure to plan for Q&A and/or conversation time for your session)
- A short narrative / description for the session (100 to 250 words)
- Include any special set up or arrangements

**When?** Send by February 15, if possible. (We plan to develop the final schedule by the end of Feb.)

**Send to:** Sandy Balkema (sandrabalkema@ferris.edu). She will forward them to the Planning Committee.
