YOU'RE ON YOUR WAY!

Founded in 1884 as the *Ferris Industrial School* by Woodbridge and Helen Ferris, Ferris State University has always stood for opportunity – a place where education is accessible to all and grounded in purpose.

From the beginning, our mission has been to blend hands-on, work-ready skills with a strong foundation in general education, preparing students, in Woodbridge Ferris' own words, "to make the world better."

Today, Ferris State University continues to honor that vision as a statewide leader in higher education. We play a vital role in shaping Michigan's workforce, economy, and communities. But most importantly, we help shape lives. Ferris is where careers are launched, professional skills are honed, industry connections are made, and lifelong friendships begin.

On behalf of the entire Ferris State community, we are immensely proud of your achievement. Just as we shared your excitement when you first arrived on campus, we share it again now, as you prepare to begin your next chapter. It has been an honor to be part of your educational journey, and we look forward to standing beside you as you continue to grow, lead, and make your mark on the world.

You will always be a Bulldog.

Today, we celebrate not only your academic success but your readiness to step forward as a skilled professional and responsible citizen, one committed to lifelong learning and meaningful contribution. Ferris State graduates embody the spirit of discovery, innovation, and service. You now join a remarkable network of Bulldog alumni who lead with integrity and vision in business, education, industry, health care, and public service.

Together, you will imagine, create, and contribute to a world beyond what any of us can yet see. And as you do, remember the timeless call of our founder, Woodbridge Ferris: **Make it better.**

Congratulations, graduates! You've earned this moment, and the future is yours.

FROM OUR PRESIDENT

Congratulations, graduates!

Today, as you walk across the stage and celebrate this remarkable achievement, take a moment to reflect on the journey that brought you here. The long nights, the challenges you overcame, the friendships you built, and the persistence that carried you through—it has all led to this moment.

This milestone is not yours alone. It belongs also to those who believed in you – your family, friends, professors, mentors, and scholarship donors, each of whom played a role in helping you reach this day. Together, they shared in your dream, and now they share in your success.

We are incredibly proud of you. You did it!

But commencement is not an ending; it is a beginning. Your Ferris State education has prepared you to embrace the future with confidence. The knowledge, skills, and experiences you've gained here will open

doors to new possibilities. You are ready to walk through them with courage and purpose.

Ferris State University is proud to be recognized as one of the nation's "Opportunity Universities." That select designation reflects who we are and what we believe in, creating pathways for students to discover their potential and transform their lives.

That designation means Ferris State graduates have an advantage. The education our graduates obtain makes a difference in the amount they earn. Our graduates are paid more in their careers because they completed a degree at Ferris State. Bulldogs earn more, and that's a fact!

Today, you join a distinguished community of more than 130,000 Ferris alumni –trailblazers, innovators, and leaders who are shaping industries and strengthening communities across the globe. Our alumni carry the Bulldog spirit wherever they go, setting standards of

excellence and making a lasting impact.

As you begin your next chapter, I leave you with one final challenge: Be an ambassador for Ferris State University. Share your story. Let others know how opportunity shaped your journey and how Ferris State helped you discover what's possible. Your voice has the power to inspire the next generation of Bulldogs.

No matter where life takes you, remember—you are, and always will be, a Bulldog.

On behalf of the entire Ferris State University community, congratulations and best wishes for a bright, fulfilling future.

Stay relevant. Stay responsive.

Dr. Bill Pink
President, Ferris State University

OUR MISSION

Ferris State University prepares students for successful careers, responsible citizenship and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

VISION

Building on the vision of our founders, Ferris State University will be an agile and transformational university. By integrating theory and practice, we will foster opportunity, discovery, and professional preparation for a dynamic global society.

CORE VALUES

Collaboration: Ferris builds partnerships within the university and the global community that promote shared goals and success.

Diversity: Ferris commits to be an inclusive university community that respects the dignity of the individual and promotes the acceptance of others.

Ethical Community: Ferris implements policies, procedures, and actions to promote transparency, advance our mission and foster integrity, civility, and respect within and beyond the university.

Excellence: Ferris dedicates itself to innovation and quality execution that sustains and promotes relevance in a changing world through best practices and benchmarking.

Learning: Ferris promotes hands-on, transformative learning; balancing theory and practice; encouraging teamwork and innovation; and emphasizing critical thinking—all are fundamental elements of career success.

Opportunity: Ferris honors the legacy of our founders by encouraging and supporting all who wish to acquire the knowledge, leadership, and communication skills that are the foundations of personal success.

ACADEMIC REGALIA

The pageantry of commencement is a time-honored ritual dating back to ecclesiastical observances of the 12th and 13th centuries. Today's academic raiment owes its origins to clerical garb designed to impart dignity to solemn, scholarly occasions.

The basis for the standardization of the various features of the American regalia was formed at a special intercollegiate conference held in 1895 at Columbia University. Three types of gowns are indicated by its code:

Candidates for undergraduate (bachelor's) degrees

Long, bell-shaped sleeves

Candidates for graduate (master's) degrees

Oblong sleeves that drape below the knees and are open at the wrist

Candidates for doctoral degrees

Faced with black velvet, with three bars of velvet across the bell-shaped sleeves

Hoods worn by master's and doctoral graduates are made of material identical to the gowns and are lined in the official academic color of the institution conferring the degree. Colored velvet or velveteen binds the hoods and indicates the department to which the degree pertains. The color of the tassel denotes the wearer's field of academic specialization, except for the doctoral degree earner, who wears either gold or black.

CERTIFICATION

Commencement is not a certification of graduation but rather a ceremony that celebrates academic achievements. Participation in any commencement ceremony does not affirm that the graduate has satisfactorily completed all degree requirements. Degrees presented at Ferris State University commencement ceremonies are subject to satisfactory completion of specific requirements of individual degree programs of the colleges and university.

Graduates must submit their online graduation applications by the established deadline or their names do not appear in the commencement program. In order to have the program completed in time for commencement, we must adhere to these deadlines. Graduates who miss the deadline may ask their respective colleges' commencement coordinators to place their names in the next commencement program.

COMMENCEMENT SYMBOLS

Banners

Banners representing each of the degree-granting colleges are displayed on the stage.

Mace Bearer

The office of Mace Bearer is ceremonial and is derived from medieval England, when an official taking office or opening court needed a bodyguard. In those times, the mace, a formidable weapon, was held ready to protect the person in charge. Since that time, it has become a symbol of office and is carried in the processional to dignify the ceremony.

A university representative known as the Mace Bearer carries the mace and leads in the presidential party. The mace is displayed on stage during the ceremony. The university mace was created by staff of the Manufacturing Engineering Technology program for use during formal university functions.

University seal

The Ferris State University seal represents founder Woodbridge N. Ferris' educational philosophy, which has guided the university since 1884.

The torch symbolizes enlightenment—the light of truth and knowledge, the fire of inspiration challenging each student to excel.

Opportunity and industry are the underlying principles of this philosophy and provide the graduate with guidelines to follow throughout life. Opportunity is the chance for each individual to realize their greatest potential. Industry is the combination of the vital qualities of diligence, perseverance and discipline.

FERRIS FIDELITY

*As constant as the Northern Star,
our faith we pledge to thee.
Our word, our bond, our oath,
our trust, to you, fidelity.*

*From the promise of the crimson dawn
to sunset's mellow gold,
thy spirit shall prevail.
We pledge allegiance, as of old:
Ferris State, All Hail!*

Graham T. Overgard (1957)

TRADITIONS

In addition to the conventional regalia, Ferris State students continually add color to commencement and make it their own.

STOLES

Graduates wear scarf-like stoles to show affiliation with extracurricular and other special programs. Commonly seen stoles include those for athletic program participation and registered student organizations.

MEDALLIONS

Some academic and extracurricular programs award medallions to graduates to commemorate their participation or achievements within the programs.

CULTURAL CELEBRATION

Graduates may choose to honor their heritage at commencement by observing their culture's graduation traditions, such as the Asian tradition of "cash blooms," bouquets or corsages made of paper money, and the Hawaiian tradition of candy leis. Both are symbols of joy and hope for the future.

CAP DECORATION

An increasingly popular adornment, decorations covering the top of graduation caps help family and friends spot their graduate in the crowd. Common cap decorations feature graduates' academic or extracurricular programs, favored sayings, and memorials or tributes to others who helped them achieve their educational goals.

HARD HATS

Graduates of Ferris State University Construction Technology and Construction Technology Management Programs often opt to wear hard hats to celebrate their academic program and job readiness.

FAMILY MATTERS

At each commencement ceremony, we also acknowledge the loved ones whose motivation and support have helped our graduates throughout their college experience. Commencement is joyous because it consists of hundreds of families' celebrations of individual accomplishments that will shape their future together.

Ferris State is an opportunity and lifelong learning university that serves students from all walks of life. At any given commencement, degrees are conferred upon traditional students and working professionals, alike—advanced degree seekers, first generation college students, former foster youth, international students, standout student-athletes, and even busy parents.

Each commencement also is a proud occasion for fellow students, alumni, staff, donors and volunteers. We are the Bulldog Family, and together, we have worked to help our graduates achieve this moment.

2025 DISTINGUISHED TEACHER

Deirdre Fagan, College of Arts, Sciences and Education

Dr. Deirdre Fagan is an award-winning author of multiple genres including poetry, fiction, nonfiction, and literary criticism and pedagogy. She has been at Ferris State since 2015 and has taught college writing and literature courses for nearly three decades.

Fagan has been featured on ABC, CBS and NPR television and radio, as well as in Newsweek and Huffington Post. She has been nominated for accolades including a Best of the Net award and the Pushcart Prize.

Fagan completed a Bachelor of Arts in English Literature at the University at Buffalo, a Master of Arts in English at the University at Albany, where she also completed doctoral degrees in English and Philosophy.

Her memoir *Find a Place for Me: Embracing Love and Life in the Face of Death* has received Shelf Unbound Indie Notable 100, National Indie Excellence, Living Now and Readers' Favorite Gold Medal award. Her short story collection *The Grief Eater* was an Eric Hoffer and Next Generation Indie Book award finalist. She also is author of the Booklist recommended reference book *Critical Companion to Robert Frost*.

Fagan, known across the Ferris State campus for her approachability and helpfulness, said her work as an author enhances her skills as an instructor.

"I believe I'm able to continue growing as an educator because I am out in the field of creative writing every day while also maintaining my foot in the classroom," Fagan said.

"Working on the craft of creative writing develops not only one's written and oral communication skills, but the creative and critical thinking that invigorates one's career and personal life."

STAY CONNECTED

Come home

Join us for Homecoming festivities each fall. It's a fun way to reconnect with college friends and show your Bulldog pride. Attend the parade, join us for a tailgate or college reunion party, and attend the big game. Visit ferris.edu/alumni/homecoming to learn more.

Meet up

There are many more opportunities to connect with us. Your Alumni Association works year-round to bring fun events to alumni communities across Michigan and the nation. Check out our calendar of events at ferris.edu/alumni for virtual offerings and to learn when we'll be near your community for a dining destination, golf outing or sports event.

Our annual Alumni Golf Outing, which rotates between premier golf courses throughout Michigan, is hosted in May each year, with registration typically opening in March.

Sign on

Want to see more opportunities for Bulldog networking near you? Consider serving as an Alumni Ambassador and acting as a liaison between Ferris State and your community or employer. Activities include meeting with prospective students in your region and assisting with nearby events.

KEEP IN TOUCH

- What made you choose Ferris State?
- Why should it be a top choice for others?
- First in your family to graduate?
- Excited about your first job?

Tag us on social media and tell us about your Ferris experience, where you're going and what you'll do—and keep in touch! Your Bulldog Family wants to celebrate your milestones and successes with you!

YOU WILL ALWAYS BE A BULLDOG

The Ferris State University Alumni Association is your connection to campus and the global network of Bulldog alumni.

Our mission is to generate and sustain your lifelong interest and involvement in the university, and to support your commitment to the university's mission and goals.

We host a variety of fun activities and events for alumni on our campus and in communities across the state and nation. We're also here to help you make the most of your benefits as a Ferris State alum, including

- Fun alumni-focused activities and events
- Access to our online alumni community
- Savings on auto, home and short-term medical insurance

And we hope you'll help out your alma mater, too. Great ways to support Ferris State and stay involved include

- Serving as an alumni recruiter
- Giving to support a scholarship or academic program
- Posting jobs and internships available at your company
- Serving on an academic program's advisory board

For more information, email alumnioffice@ferris.edu.

LIFELONG LEARNING

Career and Professional Success offers free services and support to all Ferris alumni. When you look for that perfect job candidate to fill an opening, need help to change your career, or want to increase your chances of getting a job promotion, we are here to welcome you.

From ferris.edu, click "Student Life" and then "Career and Professional Success." From the "Navigate CAPS" dropdown, select the resource that best describes your needs.

Alums can attend our campus Career and Internship Fairs and on-campus recruitment opportunities, as a job seeker or to represent an employer. From "Navigate CAPS," above, select "Events and Fairs."

CAPS also offers assistance in career planning, essential career skills development, life design and goal setting, employment openings, resume assistance, and self-marketing to all current and former students.

Email ferrisCAPS@ferris.edu for more information about these and other services, or to make an appointment.

You also can register on the Handshake app to search for job openings, networking events, career advice and qualified candidates for your own employee search. Sign up and get started today at ferris.joinhandshake.com.

ACADEMIC COLLEGES

Ferris offers the best selection of technical and professional majors in Michigan. More than 180 educational programs, from associate to doctorate, are administered through seven academic colleges with schools and departments of specialized education.

The **College of Arts, Sciences and Education**—the largest college at Ferris—is the place to find specialized undergraduate and graduate degrees, and enriching minors in the behavioral, biological, physical or social sciences; humanities; communication; education; social work; English, literature and world languages and mathematics. Its faculty-student research collaboration, robust internships and study abroad opportunities extend learning beyond the classroom. Each department/school boasts faculty who are committed to providing innovative instruction and opportunities for hands-on, minds-on experiences that will help students be the best they can be. Students graduate with

a foundation for entry-level professional careers, graduate school and life-long learning.

The **College of Business** provides 30 distinctive academic programs that teach specialized skills in combination with business fundamentals designed to prepare graduates for a fast-paced and competitive workplace. A Leadership Advisory Board of presidents, CEOs and business leaders fuel the college's response to changing needs of the business world. The college's curriculum focuses on preparing its graduates for dealing with real issues as members and leaders of tomorrow's workforce.

The **College of Engineering Technology** is one of the largest in the nation. The college has world-class labs and state-of-the-art equipment, made possible by ongoing financial support from its industry partners. Some of Ferris' technology programs are one-of-a-kind in Michigan and the nation.

The **College of Health Professions** offers in-demand programs in a variety of specialty areas. All courses are taught by qualified, discipline-specific faculty in state-of-the-art classrooms and laboratories so students are well-prepared for clinical and internship experiences and a career providing for the health and well-being of others.

Graduates of the **College of Pharmacy** compose more than half of Michigan's practicing pharmacists. Graduates can be found in every type of pharmacy practice and at every level of the pharmaceutical sciences, actively engaged in discovery, dissemination of knowledge and delivery of state-of-the-art patient care.

Kendall College of Art and Design prepares students for leadership in design, the visual arts and art history. With undergraduate programs ranging from Studio Arts to Fashion Studies as well as Master of Arts programs in Design and Architecture, KCAD offers the professional-level tools and

technology to spark creativity, nurture growth and inspire innovation.

The **Michigan College of Optometry** is a national leader in optometry curriculum and instruction and the only doctoral-level eye care professional program in the state of Michigan. MCO doctors and student interns deliver state-of-the-art eye care to thousands of patients in the region.

Ferris State's **University College** is a multidisciplinary college offering academic programming through Integrative Studies, Community Leadership, Honors, and General Studies. The college also offers many parallel programs and services including academic advising, disability and accessibility support, first-generation assistance, and many other resources designed to assist students with timely completion of their program of study.

ABOUT THE BOARD

Ferris State is governed by a Board of Trustees which has general supervision of the institution and controls and directs institutional expenditures. Members serve eight-year, staggered terms as appointed by the Governor with the advice and consent of the State Senate.

Ferris State's president is appointed by the Board as its principal executive officer and serves at its pleasure. The president is an ex-officio member of the Board, without the right to vote.
