REQUIREMENTS FOR PRE-STUDENT TEACHING

Keep this information for future reference.

1. Education courses that contain pre-student teaching field experiences include: EDUC 413/513: 30-hours, Elementary
   EDUC 431/432: 80-hours, Elementary
   EDUC 531/532: 80-hours, Elementary (Masters)
   EDUC 339: 45-hours, Secondary
   EDUC 439: 45-hours, Secondary
   EDUC 502: 75-hours, Secondary (Masters)

2. Students should see their education advisors regularly. It is important to plan your schedule to allow time during the semester to complete the required hours in each course.

3. Students should plan to take their final pre-student teaching course the semester before they plan to student teach.

4. These courses are “Permit Only.” You must contact the School of Education Office to register. You will not be registered for these courses until an application and data form have been submitted – prior to early registration. For example: If your early registration date is March 17, you will need to complete and submit your application and data form before or on that date to the School of Education (BH 421) or Placement Office (BH 618). Application packets are available in Bishop Hall – 4th Floor, 421.

5. Students may not arrange their own placements. All placements are arranged at the discretion of the Field Experience Placement Office. Please refer to the web site for a map and policies regarding appropriate placements. http://www.ferris.edu/education/education/prestudenttecpp1.htm

6. During pre-student teaching assignments, students must demonstrate professional behavior at all times. To assist with learning professional behavior, you may be issued a Professional Disposition form by your instructor. Please refer to the web site to review Guidelines for a Successful Field Experience. http://www.ferris.edu/education/education/prestudenttecpp.htm

7. Students placed within the Big Rapids Area Public Schools will be required to read, sign and submit a Conviction History form. Students placed at career tech centers are required to obtain fingerprints and criminal background check through the ISD. (The student is responsible for the $55.00 fee.)

8. Course requirements and expectations are specified and monitored by the course instructor.
