F.Y.I. – GENERAL UNIVERSITY REQUIREMENTS
Any course transferred to Ferris from another college must have at least a “C” grade for acceptance.

Students who return to the University after an interrupted enrollment (not including summer semester) must normally meet the requirements of the curriculum that are in effect at the time of their return, not the requirements which were in effect when they were originally admitted. For off-campus students, courses being completed at the community college are considered as continuous enrollment.
