Study Abroad Budget Worksheet

This form is a required for completion of the Study Abroad Application. It is important to estimate the costs for study abroad and the financial resources available to fund them. Note that tuition, fees, room, and meals frequently increase from 5-15 percent per year. Your study abroad financial aid package may vary from your typical semester financial aid package.
Directions:
1. The student fills in Section One of the form with details on their particular program.
2. Bring the form (with Section One completed) to the Financial Aid Office (CSS-101) and a Financial Aid Advisor will complete Section Two and sign it.
3. Turn in the completed form with the Financial Aid Advisor and student signature with the Study Abroad Application.
