Instructions for Students to Register Their Clicker

Students simply click the Clicker Registration link to connect their clicker to the class. If they have a physical clicker card, then they will click on the image of the clickers to register it with the serial number located on the back of the clicker. If the student downloaded the ResponseWare app to their mobile device, they will click on the image of the mobile devices to register their device.

Students can purchase a ResponseWare subscription at the Campus Bookstore or online at https://store.turningtechnologies.com using the Ferris School Code: FSu4.
